August 2018

Dear Parent/Guardian,

Attached you will find a Free & Reduced Application for the 2018-19 school year. While this may not pertain to everyone, it could be very helpful for those who are in a situation needing some additional support. If you are interested in receiving this assistance, please complete the attached application and return it to the Food Service Office at 4420 Livernois or to your school office. Please know that this information is kept completely confidential. In the event that your family qualifies for this assistance, you are asked to share with your student that they have "pre-paid" lunches.

We would like to offer every opportunity possible to our Troy School District families to make each student's experience in our schools the best that it can be. Children need to have a balanced diet with healthy meals to learn and we are fortunate to provide that along with a positive environment, enabling our students to do their very best at achieving their goals.

I am looking forward to another outstanding school year. Please feel free to contact our Food Service Office at 248-823-5089 if you need assistance with the application, or if you have any questions. Enjoy the remainder of your summer. See you on August 28th.

Sincerely,

Richard M. Machesky, Ed.D.
Superintendent
