April 10, 2019

Dear Grandville Public Schools Parents and Staff:

I am writing to clarify where things are, as of today, regarding the end of the year school calendar. Thus far, we have not had an official legislative decision to provide districts with additional weather forgiveness days during the time the Governor called for a state of emergency in Michigan.

Earlier, I had asked parents and staff to earmark June 3 – June 7 as potential days of instruction should the legislation not grant us additional forgiven days.

As of today, we will fully plan to attend school utilizing the following end of year schedule:

Tuesday, May 28 - Friday, May 31 will be full days of school for grades K-11.

K-8 students will be in session for full days on Monday, June 3, Tuesday, June 4, and Wednesday, June 5.

K-8 students will be in session for half-days on Thursday, June 6 and Friday, June 7.

High school students will be in session for full days on Monday, June 3 and Tuesday, June 4.

High School students will be in session for half-days Wednesday, June 5, Thursday, June 6, and Friday, June 7.

ECSE and Transition programs will send out a communication regarding the days and dates of their respective programs.

If our legislators forgive days due to state of emergency time, we will consider adjusting the last week of school. If there is a change, we will notify everyone as soon as possible.

We appreciate your patience and understanding as we continue to adjust to what was a very unusual winter!

Thank You,

Roger Bearup
Superintendent
Grandville Public Schools
