Dear Parents:

As we end this school year, we can't help but start to think about next year and what we need to do to get ready for it. In the past, some schools have sent letters home that included a list of supplies that you could purchase for your son/daughter over the summer. Some parents felt that these items were mandatory and, at some expense, went out and purchased every item on the list. This was a hardship for some families. Please know that the RSU will provide your child with every supply item he/she needs to accomplish the tasks required of them.

Historically, we know that some parents and students like to go "back to school" shopping. It is a tradition with some families. If you are one of those families, we do not want you to go out and buy things that won't or can't be used at school. The following is a list of items that would be useful for your child to have:

- Pencils
- Large erasers
- Glue sticks
- Crayola Markers
- Crayola Crayons (24ct.)
- Plastic sleeves/sheet protectors (clear, 3 hole, 25 or 50ct)
- Expo dry erase markers (any color)
- Gallon-sized Zip-Lock bags
- Post-Its
- Boxes of tissues

Thank you for your cooperation!
