

FOR IMMEDIATE RELEASE

DATE: February 4, 2019

SUBJECT: Oak Grove School District Launches Infinite Campus Parent Portal

Oak Grove School District recently released information on how to create and log in to our Infinite Campus Parent Portal. You should have received an email from portal@ogsd.net with information on how to activate your account. This provides parents and/or guardians access to enter and update student information via the Infinite Campus Parent Portal, a secure website to gather student and parent demographics.

This information system allows you to receive District and school announcements and update household contact information. You will be able to change your phone number, email address and specify how you would like to receive information (email, text, call, etc.). Your unique portal account provides you access to information only for your children or those under your guardianship.

If you did not receive an email, please check your junk or spam folders first. If you do not see the email, please contact the school secretary to verify your email address on file.

1. Once you have signed in, please review the address and contact information under Family. If you find any errors, you can edit the information.
2. If you have multiple students enrolled in Oak Grove, you can use the drop down located at the top of the screen to switch between accounts.

Also, download the Mobile Infinite Campus Parent Portal APP for your smartphone, its FREE. You must have logged in on a computer first, prior to downloading the APP.

- Apple iOS: <http://itunes.apple.com/us/app/infinite-campus-mobileportal/id464352883?ls=1&mt=8>

- Google Play:

<https://play.google.com/store/apps/details?id=com.infinitecampus.parent.campusportalhybrid>

For any questions or concerns with your account or account access, please contact your school's secretary. Computer kiosks are available at all schools and the District Office if you need access to a computer. We are excited to add this as another way of communicating with our families.
