Note from the Teachers

- **Extra snack:** O'Brien
- **Snack:** Be sure to send a snack with your child daily. Our community snacks run low at times and some students have a hard time adjusting back to our lunch schedule.
- **Lafferty and Zeigler:** Due to the LE on Tuesday Feb 5th, students will need a heavy snack at 10:30 am and lunch will be at 1:15. If you did not request a sack lunch, please plan to pack your child a lunch.

INFORMATION STATION

- **The NP Showdown:** Join us for the Spaghetti Supper (4:45-6:00) and Teacher vs. Student Basketball Game (7:00) on Saturday, February 16th. It is hosted by the Lightning Athletic Club, NorthShore Fellowship and Peak Fitness and Physical Therapy. Trykidz will be hosting a fun sports clinic from 5:15-6:30. Tickets will be \$10 (dinner, clinic, and game). \$40 max. per family. Kids three years old and younger are FREE. Tickets will be \$12 at the door.
- **Valentine's Day:** You can start creating a Valentines box or bag for students to collect cards and treats in (think shoebox size). It's best if there is a slot or a lid to remove for easy placement. PLEASE consider NOT writing student names on the cards and only have your child sign the cards. Unmarked cards are much easier to pass out. Boxes should be sent to school on Thursday Feb. 14th. (Lafferty and O'Brien's Class: please avoid treats with nuts) Room parents will be sharing Valentine party info soon.
