Tips and Suggestions

When deciding on your uniform size, please keep in mind...

You will be pre-ordering your uniforms, so order a size that will be appropriate to wear during the school year.

All garments are pre-shrunk. Another 4%-7% shrinking will occur when washing and drying your uniforms.

Return Policy

Need to exchange a size? No problem... However, we cannot exchange a garment for another color. Please return your garments with your original packing slip that was attached with your order and return them to your uniform coordinator. A return/exchange form is included with your packing slip.

Returns /refunds will be made only if uniforms are in re-saleable condition. **ABSOLUTELY** no washed, worn, or garments with smoke, perfume and other smells will be accepted back.

Refunds are processed if your child transfers to another school. Please call our office to begin the refund process. Please allow 7-10 days for a refund check to be mailed.

Need more shirts?

Please refer to our website to get instructions regarding your reordering process. Most times you may order on-line and a delivery, will be made to your school every week. Express stores may also be set-up on your school campus for your convenience at school. Please refer to our website via your schools link.

*** Attention Check Writer:**

Payment by check is your express authorization that any return check may be re-presented to your account electronically or as an IRD (Image Replacement Document) along with a separate EFT (Electric Funds Transfer) or demand draft for the maximum return/dishonored check fee (\$35.00) as allowed by Hawaii state law.

The logo for Kula Threads features the word "Kula" in a large, elegant, cursive script font. Below it, the word "THREADS" is written in a smaller, clean, sans-serif, all-caps font.
