

# **Cantwell-Sacred Heart of Mary High School Athletic Department Travel Release Agreement**

This form must be agreed upon before your son and/or daughter can be released from a Cantwell-Sacred Heart of Mary High School athletic contest. I understand that I am required to notify the head coach before and/or after the athletic contest is completed, that I am releasing Cantwell-Sacred Heart of Mary High School from all travel responsibility, and that I assume all responsibility for my son and/or daughter's transportation from the athletic contest. If the athletic contest is a self-report contest, no official notice needs to be made to the head coach.
