**Phone 865-986-2036 ext 4615**

**Facebook: Family Resource Center of  
Loudon County Schools**

The first in a series of four workshops that engage families in hands-on learning using PBS KIDS media. Entire families are invited to participate. The family must have at least one child within the **age of 4-8 years old**. The workshops uses play to introduce both kids and grown-ups to exciting digital and tangible tools that support the development of science and engineering.

### Special Workshop Features:

- Enjoy catered breakfast for participants.
- Learn goal oriented hands on activities while playing.
- Foster teamwork, communication and fun with family members.
- Boost grown-up confidence and comfort to support their children's learning.
- Learn of Canine host extraordinaire Ruff Ruffman.

Made possible by a grant from the Tennessee Department of Education-Office of Student Support
