SUMMER SCHOOL REGISTRATION FORM

Madison Junior-Senior High School

Registration Deadline: Friday, June 1, 2018

Summer Career Exploration:

Students working a summer job in an area of career interest may apply for summer career explorations credit. The area of career interest will be fully explored during the work experience with a focus on entry level skills needed, opportunity for growth in the career, the challenges of the career, the rewards of the career, handling stressful parts of the career and skills needed to keep a job.

Format:

Each student will network and find a job that matches his/her career interest. The students' employer will discuss with the student job expectations and details regarding the potential for a career in the industry. The career explorations coordinator will meet bi-weekly with the students to discuss the experience, collect work documentation and make occasional visits to the work site to observe the student. An evaluation form will be completed by the employer to ensure that the student is meeting employer expectations. Students working a minimum of 90 hours during the summer months will be eligible to receive one half credit in Career Explorations (elective credit). Students working more than 180 hours during the summer months will be eligible to receive a full credit in Career Explorations (elective credit).
