Principal's Message

My name is Susan Kesselring and the 2018-2019 school year marks my seventh year as principal at Grover Heights. I am proud to represent and lead our school with continued success.

We are fortunate to continue implementing a system that is sure to strengthen teacher effectiveness. We understand the single most important factor influencing the quality of a child's education is the effectiveness of the classroom teacher. The Grover Heights teaching staff, along with Lucia Mar Unified, has crafted a Professional Development program to fit our specific needs. Teaching strategies that are proven effective with students at our school will continue to be strengthened. Teachers collaborate with one another on a weekly basis with the guidance of our most skilled Teacher On Special Assignment and Instructional Leadership Team members.

As principal, you can expect me to work diligently with staff, parents, and community members to ensure the success of every student. The mission at Grover Heights Elementary School states that in an inclusive and safe environment, Grover Heights will provide a high standard of academic instruction that promotes a growth mindset and challenges every student to be future ready. Recognizing our role within the greater community, Grover Heights will foster lifelong learners who will contribute to society in a meaningful way. The quality of education provided at Grover Heights is evidenced by high student growth and achievement and a continued record of improvement. I pledge to build upon the tradition of excellence that Grover Heights has grown to expect, and that our students deserve.

School Mission Statement

In an inclusive and safe environment, Grover Heights will provide a high standard of academic instruction that promotes a growth mindset and challenges every student to be future ready. Recognizing our role within the greater community, Grover Heights will foster lifelong learners who will contribute to society in a meaningful way.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

Lucia Mar Unified School District held a public hearing Sept. 18, 2018, and determined each school within the District has sufficient and good-quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams v. the State of California. All students, including English Learners, are given their own individual Standard aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. All textbooks and instructional materials used within the District are aligned with the California State Content Standards and Frameworks and have been approved by the Board of Education. Lucia Mar Unified School District follows the State’s seven-year adoption cycle. Auxiliary materials, such as math manipulatives, trade books, and science kits, are also purchased to support the textbook adoption.

School Facility Conditions and Planned Improvements (Most Recent Year)

Grover Heights Elementary School provides a safe, clean environment for learning. Built in 1960 and completely modernized in 2001, Grover Heights Elementary School is situated on 10.10 acres. The school buildings span 36,386 square feet and consist of 23 classrooms, a library, multipurpose room, a computer lab, resource and tutoring rooms, and office facilities. The facility strongly supports teaching and learning through its ample classroom and playground space.

Through a partnership with the city of Grover Beach, Grover Heights completed the sidewalk near the bus loading zone and parking lot. The city made other improvements with funds acquired through the Safe Routes to School grant including: completing the sidewalks on Ritchie Road and the bus loading zone, painting bike lanes on Atlantic City Avenue, and making the Fourth street crosswalk area more visible and safe. A new MPR is in the beginning planning stages.

Grover Heights Elementary School is a closed campus. Many people visit the campus to volunteer in the classroom and participate in school events. Parents and visitors are welcomed and required to check-in at the school office upon arrival and obtain a visitor's badge; visitors are required to return to the school office upon departure. During lunch, recesses, and before and after school, adults supervise students and school grounds, such as the cafeteria and recreation area, to ensure a safe and orderly environment.

Safety concerns are the No. 1 priority of maintenance and operations. District maintenance supervisors are proactive and conduct inspections at school sites on a continual basis. Repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work-order process is used to ensure efficient service and that emergency repairs are given the highest priority. The District maintenance staff has indicated that 100 percent of all toilets on school grounds are in working order.

A team of custodians ensures classrooms, campus grounds, and restrooms are kept clean and safe. A scheduled maintenance program is administered by Lucia Mar Unified School District to ensure that all classrooms and facilities are well maintained and provide a suitable learning environment. A summary of these standards is available at the school office or at the District office.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

| 2017-18 CAASPP Results for All Students | | | | | | |

| | School | | District | | State | |
| | 16-17 | 17-18 | 16-17 | 17-18 | 16-17 | 17-18 |
| ELA | 45.0 | 52.0 | 52.0 | 54.0 | 48.0 | 50.0 |
| Math | 41.0 | 46.0 | 37.0 | 39.0 | 37.0 | 38.0 |

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

| Grade Level | 2017-18 Percent of Students Meeting Fitness Standards | | |
|-------------|---|--------|--------|
| | 4 of 6 | 5 of 6 | 6 of 6 |

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2018-19)

Parents and the community play an important role in the success of Grover Heights Elementary School. Parents may become involved in their child's education in numerous ways, such as volunteering in the classroom, volunteering on campus, working on campus beautification projects, and chaperoning field trips. Organized groups for parents include PTA, School Site Council, English Learner Advisory Committee, and other specific committees for school activities.

Parents and community members are invited to many school activities and events held throughout the year. Events include such things as Back-to-School Night, Open House, Barn Bash, Turkey Trot, awards assemblies, parent conferences, classroom performances, Dragon Olympics, Read-a-Thon, End-of-the-Year Celebration and other events. The school keeps parents apprised of school activities through auto-dialer/phone calls, digital school flyers, newsletters, monthly calendars, informational marquees, PTA Facebook and school Facebook pages and school website.

PTA fundraisers and other contributions from the community greatly enhance the educational program at the school. Fundraisers are conducted entirely on behalf of students to support a well-rounded education including: field trips, assemblies, science camp, playground equipment, and other activities. Many community businesses provide generous support to the school, including PG&E, Box Tops for Education, Safe Routes to School, Walmart, Target, Vons, and the local Rotary Clubs.

For more information on how to become involved at the school, contact PTA President Mariam Shaw at 805-474-3700.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The Comprehensive Safe School Plan was developed by the District to comply with Senate Bill 187 (SB 187) of 1997. The Plan provides students and staff a means of ensuring a safe and orderly learning environment. Each school includes the following requirements of SB 187 within their Safe School Plans: current status of school crime; child abuse reporting procedures; disaster procedures, both routine and emergency; policies related to suspension and expulsion; notification to teachers; sexual harassment policy; provision of a schoolwide dress code; safe ingress and egress of pupils, parents, and school employees; safe and orderly school environment; and school rules and procedures.

The school evaluates the plan annually and updates it as needed. Safety procedures, including elements of the Safe School Plan, are reviewed with school and District staff in the fall, at the start of each school year. The Injury, Illness & Prevention Plan was last updated and reviewed with school staff in October 2018.

Professional Development provided for Teachers

Lucia Mar invests time and resources to ongoing, district-wide staff development in key initiative areas aligned to district goals to increase student achievement and support school improvement. During the 2017-2018 school year, our professional development focused on California Common Core State Standards, Writing, newly adopted math curriculum, English Learners, Project-based Learning, and best practices in instruction/ assessment. The 2018-1019 will continue to see an emphasis on these areas during profession development.

Professional development opportunities are provided in a variety of ways — district-wide staff development day, weekly late-start Mondays, staff meetings, release time, Saturday training, and summer institutes. Over the last three years, teachers have received at least 24 days of professional development in each school.

In the 2014-2015 school year LMUSD created a research driven professional development model. Each school site has a Late Start Monday, an Instructional Leadership Team comprised of teachers and administrators, and a Teacher Support TOSA. The combination of these three has resulted in high quality, weekly professional development.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
