Parents,
Due to the school closures, we have prepared a work packet for your child to complete until we return to school. It is very important that your child continues to work and practice these skills so that when we return, we can pick up where we left off. You will find a pacing guide for which activities are to be completed each day, for ten days. The work provided in these packets is for review, there is no new content, therefore students should be familiar with all material. Each teacher will be available during school hours should you need to contact us for any reason.

Mrs. Alda May Walker: acwalker@burke.k12.ga.us I will also be available through messenger here, or text or call 706-339-5813

Learning Links
Websites your child can access from home

Login information for the following websites can be found in the front cover of your child’s agenda:

MyLexia (Reading)- https://auth.mylexia.com/mylexiaLogin
RAZ Kids (Reading)- https://www.raz-kids.com/
Freckle (Reading & Math) - https://student.freckle.com/#/login

The following websites require no student login to access:

ABCya (ELA & Math)- https://www.abcya.com/
Fun Brain (Reading & Math)- https://www.funbrain.com/games
PBS Kids (Educational Games)- https://pbskids.org/
Arcademic Skill Builders (Math)- https://www.arcadeceans.com/
Sheppard’s Software (All Subjects)- http://www.sheppardsoftware.com/
Storyline Online (Reading)- https://www.storylineonline.net/
