Lacey Thomas opened the meeting.

How much trust lands money do we have? Mr. Wyatt was going to get a amount.

We have hard bound books in Mrs. Livingston's room that we can purchase for \$1800.00.

We are still interested in having a music teacher. We still have recorders, and rhythm sticks. If anyone knows someone who is interested. Jeff though maybe sending his music teacher to Vernon. Add 1 hour to Brooke's schedule and pay out of trust lands was another option.
