## **St. Barnabas Scrip Program**

### **Save Tuition \$\$\$ or Donate Savings!!**

Scrip is a reimbursement program initiated to help our school families with tuition costs. A few minutes a week or every other week could save you hundreds of dollars in tuition costs annually.

*Here's how it works:*

Each week, families have the opportunity to purchase Scrip cards. Dozens of stores offer their gift certificates at a discount with the greatest percentage of savings passed on to you as tuition credits. Submit your order online or send your order into school by Monday morning (9:00 am) and you'll receive your gift cards on Thursday afternoon.

We also offer a "check & carry" option on Thursday evenings from 6:00-7:30 in the gym lobby. While we don't carry the entire Scrip inventory on Thursday nights, you can purchase gas, groceries and many local stores. Also, frequently requested national stores like (Shell, Jewel, Starbucks). Two times per year (July/February), Scrip credits are issued on your tuition statement.

Here's an example of how the program can work for you: Spending \$100 a week on groceries can add up to earn you approximately \$160 a year in tuition; \$50 in gas a week is an additional \$64 a year. One pizza a week translates to at least \$32 a year! Just those few things can save you over \$250 a year in tuition costs. Shopping for birthdays, holidays and other gifts is not only easier, but can earn you additional credits! Scrip gift cards look and work just like any other card provided by the retailer. Paying with gift cards keeps families safe from credit card fraud.

Whether you order weekly, bi-weekly, monthly or just for special occasions and holidays, by taking a few minutes you can save tuition dollars!! If you aren't looking for tuition credits for yourself, you can donate them to another school family, someone expecting and who is saving for future tuition, or our Buckeye Scholarship program.
