Student Council

Our student council had the opportunity to present to our BOUSD School Board on Monday night. Every year each elementary school presents highlights of their school. Our students utilized and highlighted AVID strategies as their presentation. I want to thank our talented student leaders. Their creativity and speaking skills were impressive. The following students presented to our Board:

Samie Reutter
Olivia Jeon
Jackson Bingemann
William Watson

You made us proud!

I also want to thank Mrs. Noffal, Student Council Advisor, for putting together this presentation and for the time and effort she gives to our Student Council. Thanks so much!
