COCISD Bond projects on track to enter Phase D by January

COCISD Bond projects are moving forward. Divided into phases for planning purposes, many of the projects included in Phases A, B, and C are in progress or have already been completed.

Phase A got underway last spring and included construction projects that would not disrupt classes, such as the Jones campus roofing project, the high school track and other stadium improvements.

Work on Phases B and C began shortly after the last day of school for summer break. These projects include the Pre-K wing, classroom improvements, and construction of a new

bus loop at the elementary campuses, and a new science wing, band hall, and student drop-off/pick-up area at the junior high.

The Board of Trustees is currently reviewing final plans for Phase D, which includes the new CTE wing at the high school, set to start in January.

Several projects are in progress or have already been completed, with the final phase—including the new CTE wing—set to start in January.

COCISD Teachers receive in-house Gifted & Talented training

Training is not only an important key to providing teachers the tools they need to succeed in the classroom, professional development in certain areas is required by the Texas Education Agency (TEA). This training can often be expensive

and time-consuming, but our teachers were able to participate in a GT workshop given by Education Consultant Cherie Meroney, in conjunction with COCISD instructional content specialists and instructional technology specialist. Great job!

Creating
Opportunities

The vision of COCISD is Creating Opportunities for All!

Did you know?

- Our district's Special Education Department (SPED) includes Special Education, Dyslexia, and Response to Intervention (RTI) services. These programs are coordinated between the central office staff and campuses, but the services are provided on campuses. If you would like more information on special education services, contact our SPED office at 936-653-1179, or contact your child's campus. Additional information may also be found on the district website at www.cocisd.org > Departments > Special Education.

The final pep rally of the 2018-19 season in honor of Trace

The final pep rally of the 2018-19 football season was an emotional tribute to the Class of 2019, as well as a touching memorial to a beloved classmate. Seniors were determined to put themselves on the backburner in favor of honoring Billy "Trace" Crowson III, a COHS senior who passed away in an auto accident on Oct. 26th.
