NOVA ACADEMY MISSION STATEMENT

Educating all students in a Multi-Cultural environment where parents and the community will serve as partners in achieving academic excellence of our students.

SCHOOL CREED

We have entered this classroom to learn many new things. Our teachers will give us countless opportunities to be successful. We will develop an understanding of ourselves. Every person in our building is an important resource. We are a team. Remember, we are all team players!

Board of Trustees Policies

Texas law grants the Board of Trustees the power to govern and oversee the management of the school. The board is the policy-making body within the school and has overall responsibility for the curriculum, school taxes, annual budget, and employment of the superintendent/principal and other professional staff, facilities, and expansions. The board has complete and final control over school matters within limits established by state and federal law and regulations.

Board Meetings:

Trustees usually meet the second Tuesday of each month at 2800 Prichard Lane at 5:00 p.m. The Executive Board meets on an as needed basis. Special meetings may be called when necessary. A written notice of regular and special meetings will be posted at each campus, 2800 Prichard Lane, 6459 Scyene Road, Dallas, TX 75227, 820 E. Wintergreen Road, Cedar Hill, TX 75104 and via the school website at least 72 hours before the scheduled meeting time. The written notice will show the date, time, place, and subjects of each meeting. In emergencies, a meeting may be held with a two-hour notice.

All meetings are open to the public. Under the following circumstances, Texas law permits the board to go into a closed session. Closed session may occur for such things as discussing prospective gifts or donations, real property acquisition, personnel issues, including conferences with employees and employee complaints, security matters, student discipline, or to consult with attorneys regarding pending litigation.

1. Uniform and Personal Appearance

Uniforms are a great equalizer. They encourage pride in personal appearance and promote school spirit. In addition, uniforms eliminate self-consciousness. Uniforms are mandatory for all students at Nova. The district believes that students should dress in a way that is appropriate for the learning environment. Maintaining a school atmosphere suitable for academic study will help students focus on the business of school. The Uniform Policy is a vital step toward furthering excellence and better preparing our students for college, careers, and life as adults. Each student is expected to strictly abide by the uniform guideline.

3. Absences

Notifying the school of student absences:

Anytime a student is absent from school the parent or guardian needs to send a handwritten note with the student on the day he or she returns to school. The note needs to contain the name of student, date(s) of absence(s), and reason for the absence(s), along with the parent or guardian’s name and signature. Calling the school on the day of the absence is highly encouraged. A handwritten note is required from the parent(s) or guardian(s) for documentation. Two days per semester will be excused by handwritten notes.

In order for a student to receive a grade for a class, he/she must be in attendance for at least 90% of the days the class is offered. A student who is absent more than eighteen (18) days during the school year is subject to retention. TEC 25.092

Absence – Excused

(See ATTENDANCE / TRUANCY)

4. Attendance/Truancy

Regular school attendance is essential for the student to make the most of his or her education – to benefit from the teacher led activities, to build each day’s learning on the previous day’s, and to grow as an individual. Being present and on time is a life skill to be cultivated. Students are required to attend class daily from 8:00 am to 4:00 p.m.

It is also the law in Texas:

Students who are enrolled in Pre-Kindergarten or have been enrolled in a public school first grade program, and have not yet reached their 18th birthday are required to attend school each day during instructional year unless otherwise legally exempted or excused. School employees must investigate and report violations of the state compulsory attendance law. Students absent without permission from school or from any class will be considered truant and subject to disciplinary action.

To receive credit in a class, a student must attend at least 90 percent of the days the class is offered. (TEC 25.092) A student who is absent more than 18 days during the school year is subject to retention. A student who attends fewer than 90 percent of the days the class is offered cannot receive credit for the class, unless the attendance review committee finds that the absences are the results of extenuating circumstances, such as:

- Required screening, diagnosis, and treatment for Medicaid-eligible students.
- A documented health care appointment-if the student begins classes or returns to school on the same day as the appointment.
- A temporary absence resulting from any cause acceptable to the principal, or superintendent, including personal illness; or illness or death in the immediate family
- An absence required by state or local welfare authorities.
- Family emergency or unforeseen or unavoidable instance requiring immediate attention.

If the committee determines that there have been extenuating circumstances, it will decide if the student will be promoted or retained. If the committee determines however, that there are no extenuating circumstances, the student will be retained.

TEC. 25.093. Parent Contributing to Nonattendance. (a) If a warning is issued as required by Section (25.095)(a), the parent with criminal negligence fails to require the child to attend school as required by law, and the child has absences for the amount of time specified under Family Code 65.003(a), the parent commits an offense. The attendance officer or other appropriate school official shall file a complaint against the parent and/or student:

Family Code 65.003(a) Truant Conduct. (a)An individual commits an offense if the individual:

- (1) is 12 years of age or older and younger than 19 years of age;
- (2) is required to attend school under Section (25.085); and
- (3) fails to attend school on 10 or more days or parts of days within a six-month period in the same school year.

TEC. 25.095. Warning Notices. (a) A school district or open-enrollment charter school shall notify a student's parent in writing at the beginning of the school year that a parent and/or student are subject to prosecution if the student is absent from school on 10 or more days or parts of days within a six-month period in the same school year.

Nova Academy Compulsory Attendance Procedures

2. Annual Attendance Guidelines Notification sent home first day of school.
3. Upon any student absent, an automated phone call will go to the parent/guardian the same day.
4. Upon the student's return, he or she will have three school days to provide a note of excuse for any absence to the school's attendance clerk.
5. Upon the third unexcused absences in a four week period, a Compulsory Attendance Warning will be mailed to the parents at the home address on record with the school.
 1. Elementary: First warning letter and copy of student attendance record mailed to parent address on file. Parent conference scheduled to discuss Truancy Prevention Measures.
 2. **Secondary (age 12-19) First warning letter will be mailed home with a copy of the student attendance records if the three (3) unexcused absences occur within a 4 week period, then the school shall implement the Student Attendance Behavior Improvement Plan in an effort to avoid truancy court as required by Family code 65.003(a). The school will contact the parent/guardians to schedule a parent conference to discuss, develop and implement the Student Attendance Behavior Improvement Plan.**
6. Upon the fifth unexcused absence a meeting will be scheduled with the parent/guardian. Truancy Prevention Measures (TPM) will be implemented by the campus principal and student contract must be sign.
 1. Elementary: Final warning letter and copy of student attendance record mailed to parent address on file to discuss Truancy Prevention Measures.
 2. Secondary: (age 12-19) Final warning letter and a copy of the student attendance will be mailed to the address on file. Scheduled parent conference with in one week to review/modify/implement the **Student Attendance Behavior Improvement Plan** as appropriate. The penalties after the 10th unexcused absence within a six month period **MUST** be clearly communicated with the parent.
7. If a student accrues ten unexcused absences in a six-month period, and the school determines the TPM are working, a truancy referral will be sent to the appropriate authority, unless the student is eligible for one of the four exceptions under the law
 1. Pregnancy
 2. Homeless
 3. Foster Care
 4. He or she is the primary income earner for the family

8. If one or more of the above conditions listed in #7 is the cause of the student's absences, the school will continue to implement and monitor TPM and offer support when needed. The school MAY NOT REFER THE STUDENT TO TRUANCY COURT.
9. If none of the above conditions listed in #7 is the cause of the student's absence, the school may file a criminal complaint against the Parent/Guardian and student in court. Must prove the absence are unexcused and a result of the parent's negligence.
10. If the school finds its TPM are not working, the student can be referred to a truancy court.
11. If the school determines its TPM are working, then a referral to court will not be made.

NOTE:

1. For truancy court purposes, a combination of unexcused absences and parts of days or classes missed will be counted (includes tardiness)
2. Leaving early from and/or arriving late to school may be considered as missing part of school day
 - A tardy before school and leaving early will only be excused due to illness and/or a note from a doctor where the child attended an appointment, was referred to home care by the doctor, or goes home ill based on an observation by the school.

Students who are enrolled in kindergarten or have been enrolled in a public school first grade program, and have not yet reached their 18th birthday are required to attend school each day during instructional year unless otherwise legally exempted or excused. School employees must investigate and report violations of the state compulsory attendance law. Students absent without permission from school or from any class will be considered truant and subject to disciplinary action.

To receive credit in a class, a student must attend at least 90 percent of the days the class is offered. (TEC 25.092) A student who is absent more than 18 days during the school year is subject to retention. A student who attends fewer than 90 percent of the days the class is offered cannot receive credit for the class, unless the attendance review committee finds that the absences are the results of extenuating circumstances, such as:

- Required screening, diagnosis, and treatment for Medicaid-eligible students.
- A documented health care appointment-if the student begins classes or returns to school on the same day as the appointment.
- A temporary absence resulting from any cause acceptable to the principal, or superintendent, including personal illness; or illness or death in the immediate family
- An absence required by state or local welfare authorities.
- Family emergency or unforeseen or unavoidable instance requiring immediate attention.

If the committee determines that there have been extenuating circumstances, it will decide if the student will be promoted or retained. If the committee determines however, that there are no extenuating circumstances, the student will be retained.

Please note:

- Nova Academy shall excuse students from attending school for the purpose of observing religious holidays when it is a tenet of their faith that they must be absent from school during such time and if, after the absence, the parent/guardian submits written notification for the excused absence. The district shall excuse the student for days on which the student must travel to and from the site where the holidays will be observed. Excused days for travel shall be limited to not more than one day for travel to and one day travel from the site. A student whose absence is excused for religious holidays shall not be penalized for the absence and shall be allowed a reasonable time to make up schoolwork missed on those days.
- In those rare circumstances when a student must be absent from school, the student – upon returning to school – must bring a note, signed by the parent, that describes the reason for the absence; a note sign by the student, even with the parent’s permission, will not be accepted.
- A student absent for any reason should promptly make up specific assignments missed. A student who does not make up assigned work within the time allotted by the teacher will receive a grade of zero for the assignment.
- A student is tardy if he or she is not in the classroom when the tardy bell rings at 8:05 a.m.

Nova Academy has the right to take extreme absences and tardiness to court.

A. Absence and Tardiness

Nova Academy recognizes two kinds of absences and tardiness: excused and unexcused. Please read through the definitions of each carefully so that you understand what students and parents/guardians responsibilities are. Also, you need to be acutely aware of the consequences for unexcused absences.

Note: An automatic telephone call will be sent to the parent / guardian when a student is absent from school.

B. Excused Absences

Nova Academy accepts only the following as excusable reasons for absence from school. Under the compulsory education law, parents/guardians must notify the school any morning their child is not attending. The excuse shall be submitted to the attendance office and filed as part of the student’s school records. An excuse for absence from school may be approved for one (1) or more of the following reasons or conditions:

- Personal Illness accompanied by a doctor statement,
- Quarantine of the Home or Death of an immediate family member (Mother, Father, Guardian, Sister, Brother, Grandparents)
- The student is observing holy days, including day of travel to and/or from the place of worship. Travel days for which the student is considered in attendance shall be limited to not more than one day for travel to and one day for travel from the site where the student will observe the holy days.
PROOF: Documentation from the family's place of worship.
- The student misses school for the purpose of attending a required court appearance, including traveling for that purpose. Excused days for traveling shall be limited to one day for travel to and one day for travel from the site the student is required to appear in court. **Important: Absences to meet with probation officers do not qualify for funding but must be excused if they meet the criteria in the TEC 25.087(b)(1)(B).**
PROOF: Copy of court documentation
- The student has documented appointment with a health care professional during regular school hours, if the student commences classes or returns to school on the same day of the appointment. The appointment should be supported by a document, such as a note from the health care professional on an official letterhead. The appointment must be supported by a document, such as a note from the health care professional.⁹⁷ The appointment must be a face-to-face consultation with a health care professional. A consultation over the phone or via video (telemedicine) is not considered an appointment with a health care professional.
PROOF: Copy of doctor statement
- Is absent to visit with a parent, stepparent, or legal guardian who is an active duty member of uniformed services and has been called to duty for, is on leave from, or is immediately returned from the continuous deployment of at least four months outside the locality where the parent, stepparent, or guardian regularly resides. Student may be excused up to 5 days for this purpose in a school year. An excused absence for this purpose must be taken no earlier than 60 days before the date of deployment or no later than 30 days after the date of return from deployment.
PROOF: Copy of order from U. S. Government

- The school may require a doctor's note.

Anticipated or Planned Absences

Professional Appointment

We encourage parents to schedule medical, dental, legal, and other necessary appointments outside school hours whenever possible. If this is not possible, you must bring a note to the office the day of the absence stating clearly the time to be dismissed. In addition, the following rules shall apply to all types of dismissals during the school day:

- Must bring copy of court order or doctor's statement
- Parent/guardian must sign in at the front desk.
- Parent/guardian must sign student out of school, if returning, parent must sign student back in.

C. Tardiness

Students are expected to arrive at school no later than 8:00 a.m. Students arriving after 8:05 a.m. are considered late and will be marked tardy. Tardiness to school whether the results of oversleeping, missing the bus, car problems or lingering is unacceptable.

(Student must check in at the front desk / main office to obtain a tardy slip.)

NOTE: If a student arrives to school after 8:15 a.m. or is picked up from school before 3:30 p.m., he or she has missed more than 15 or more minutes of instruction, therefore are considered to have a partial day absence.

For truancy purposes, partial day absence is considered to be unexcused absences. If the student will be attending or have a medical appointment, the absence will be changed when the appropriate documentation is received.

D. Early Dismissal of Students From School

Nova Academy is very concerned about the student’s safety and wellbeing; early dismissal from school is an important issue. In all instances of early dismissal, the following precautions will be taken to ensure student’s safety:

- The principal may release students before the end of a school day only upon presentation of a written or face-to-face (no telephone call) request from parent/guardian or for emergency reasons.
- No staff member may permit or allow a student to leave school prior to the regular hour of dismissal except with the knowledge and approval of the principal and with the knowledge and approval of the parent/guardian.
- Students are required to attend class daily from 8:00 a.m. to 4:00 p.m. (constant early dismissals will not be accepted).

Only the names listed on the “Authorized Person to Pick-up Student” form will be allowed to pick-up the student. In addition, please notify the main office in writing or in person immediately for authorized individuals that need to be added or changed.

36. Parental Guardianship

The Texas Family Code, Section 101.024 defines a parent as: the mother, a presumed to be the biological father, a man legally determined to be the biological father, a man who has been adjudicated to be the biological father by a court of competent jurisdiction, or an adoptive mother or father.

A custodial parent is the parent who has either sole physical custody of the child or the parent with whom the child resides for a majority of the time. Although courts often give two parents who are both fit parents joint custody of the child, the court may refer to the parent with the larger timeshare with the child as a custodial parent at times in court documents and during hearings.

There are two types of custody, legal and physical custody. Legal custody gives one parent the right to make vital decisions regarding the child's education, morality, religious training, discipline, and medical care. Physical custody refers to the actual physical care and control of the child.

Custodial Parent Rights

Custodial Parent rights differ depending on whether the parent merely has physical custody of the child or whether the parent also has legal custody. If a custodial parent has sole physical custody and sole legal custody of the child, then the custodial parent is entirely responsible for the care and rearing of the child and is free to make decisions regarding the health and welfare of the child without concurrence or even consultation with the non-custodial parent. The custodial parent may make medical decisions, decisions about schools and education, and other similar decisions unless a court order in place or divorce decree provides specific instructions regarding the rights and responsibilities of the custodial and non-custodial parents. The custodial parent may not move away with the child. If the non-custodial parent has child visitation, the custodial parent must comply with the visitation orders and produce the child to the non-custodial parent for visitation as ordered.

Affidavit for Proof of Residency
