### Facts about the Policy
1. **WHO IS ELIGIBLE:** students of the policyholder who make the required premium contribution for the coverage selected are eligible. Student status continues after graduation and between school years unless the person enrolls at a different school district.
2. The Master Policy on file with the school district is a non-renewable policy.
3. This is a limited benefit policy.
4. **COVERAGE EFFECTIVE DATE:** A person’s coverage takes effect at the later of the date his or her completed application and premium is received by the company or the effective date of the policy issued to his or her school or school district.
5. **COVERAGE TERMINATION DATE:** Coverage ends on the earlier of the date his or her coverage has been in force for twelve months or the first day of the next school year. All coverage ceases if the policyholder cancels the policy or when the person ceases to be eligible. Termination of coverage for any reason will not affect a claim which occurs before coverage ends.
6. **LATE ENROLLMENT:** Coverage may be purchased at any time during the school year. There is no premium reduction for any individual who enrolls late in the year.
7. **CANCELLATION:** Coverage under the Policy will not be cancelled, and accordingly, premiums may not be refunded after acceptance by the Company. However, a pro-rata refund of premium shall be made in the event a Covered Person enters the Military Service.
