

Fremont Academy of Engineering and Design

School Accountability Report Card

Reported Using Data from the 2016-17 School Year

Published During 2017-18

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

About This School

Contact Information (School Year 2017-18)

School Contact Information	
School Name	Fremont Academy of Engineering and Design
Street	725 West Franklin Ave.
City, State, Zip	Pomona, CA 91766-5168
Phone Number	(909) 397-4521
Principal	Elizabeth Harper
E-mail Address	elizabeth.harper@pusd.org
Web Site	www.pusd.org
CDS Code	19649076061634

District Contact Information	
District Name	Pomona Unified School District
Phone Number	(909) 397-4800
Superintendent	Richard Martinez
E-mail Address	richard.martinez@pusd.org
Web Site	www.pomona.k12.ca.us

School Description and Mission Statement (School Year 2017-18)

Vision

Fremont Academy of Engineering and Design is a learning community focused around Engineering and Design that provides real connections and applications for the concepts that students are learning using student collaboration, project- or problembased learning, connections to industry and the business world, and partnerships with post-secondary institutions to ensure that all students are college- and career-ready.

Mission

Fremont Academy will provide every student a STEM (Science, Technology, Engineering & Math) focus that is academically challenging, giving attention to both technical and soft skills and promoting a rigorous curriculum that prepares students for college and career goals through data-driven, project-based, research-based and standards-based instruction. Expectations are explicit, doing the right thing is recognized and appreciated, learning is collaborative, hands-on, kinesthetic and connected to the world outside of school.

Fremont Academy

Student Learning Outcomes

Fremont Academy Students Will:

Satisfy all graduation requirements.

- Meet A-G requirements
- Master common core state standards

Obtain leadership and organizational skills

- Develop strong communication & technological skills
- Collaborate efficiently to solve problems
- Effectively manage time and commitments

Accomplish long and short-term goals

- Think critically
- Actively engage in learning
- Make thoughtful and reflective decisions

Respect the local and global community

- Value diversity
- Contribute positively
- Utilize resources responsibly

As a residential middle school combined with a high school with open enrollment through the district open enrollment process, Fremont Academy is open to all students who are interested in our engineering pathway, regardless of prior academic achievement. Our enrollment includes a diversity of students, including English Learners (40%) and Students with Disabilities (11%). We are not a magnet school, but rather a small learning community designed to serve the students in our neighborhood by providing an educational opportunity different than the comprehensive high school. Research shows that students who have been historically underachieving perform much better in learning environments in which expectations are explicit, doing the right thing is recognized and appreciated, learning is collaborative, hands-on, kinesthetic and connected to the world outside of school. Students need to see “why” they are learning what they are learning.

Our commitment based on educational research is that all students can achieve at high levels if they see the relevance of what they are learning to their own experience and the world of work. Fremont is a certified National Academy Foundation (NAF) Academy of Engineering, and our goal is to provide all students with the opportunity to connect with the world of work and higher education.

Student Enrollment by Grade Level (School Year 2016-17)

Grade Level	Number of Students
Grade 7	167
Grade 8	193
Grade 9	124
Grade 10	126
Grade 11	145
Grade 12	75
Total Enrollment	830

Student Enrollment by Group (School Year 2016-17)

Student Group	Percent of Total Enrollment
Black or African American	1.2
American Indian or Alaska Native	0.1
Asian	2.4
Filipino	0.1
Hispanic or Latino	94.9
Native Hawaiian or Pacific Islander	0.1
White	0.8
Two or More Races	0.1
Socioeconomically Disadvantaged	92.5
English Learners	35.3
Students with Disabilities	11.4
Foster Youth	1.3

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials

Teachers	School			District
	2015-16	2016-17	2017-18	2017-18
With Full Credential	42	43	41	1136
Without Full Credential	0	1	2	12
Teaching Outside Subject Area of Competence (with full credential)	0	0	0	10

Teacher Misassignments and Vacant Teacher Positions

Indicator	2015-16	2016-17	2017-18
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments *	1	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2017-18)

School Facility Conditions and Planned Improvements (Most Recent Year)

Responsibility and results are among the Core Values of the District. These values are exemplified in our continued commitment to provide facilities that are clean and maintained to the highest standards. The District's maintenance staff strives to complete work orders in a timely manner thereby ensuring the health, life, and safety of our students, staff, and community. Our electronic work order process ensures that the necessary emergency work orders are given the highest priority and are completed swiftly.

The District has adopted high cleaning standards that are maintained by our custodial staff on a daily basis. Ongoing assessment of site cleanliness is performed by the district's custodial management team. This process includes the evaluation and consideration of new cleaning products, procedures, and equipment. This also includes the continuous training for custodial staff. Additionally, regular pest control operations are performed in strict accordance with all applicable regulations mandated for California schools.

On-going maintenance of our school facilities includes: roofing, flooring, painting, HVAC, electrical systems, and exterior painting. The District is committed to assuring that all facilities provide the necessary environment for high quality education to take place.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

School Facility Good Repair Status (Most Recent Year)				
Year and month of the most recent FIT report: November 2017				
System Inspected	Repair Status			Repair Needed and Action Taken or Planned
	Good	Fair	Poor	
Systems: Gas Leaks, Mechanical/HVAC, Sewer	X			
Interior: Interior Surfaces	X			
Cleanliness: Overall Cleanliness, Pest/Vermin Infestation	X			
Electrical: Electrical	X			
Restrooms/Fountains: Restrooms, Sinks/Fountains	X			
Safety: Fire Safety, Hazardous Materials	X			
Structural: Structural Damage, Roofs	X			
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	X			

Overall Facility Rating (Most Recent Year)

Year and month of the most recent FIT report: November 2017				
Overall Rating	Exemplary	Good	Fair	Poor
		X		

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2015-16	2016-17	2015-16	2016-17	2015-16	2016-17
English Language Arts/Literacy (grades 3-8 and 11)	22	26	38	38	48	48
Mathematics (grades 3-8 and 11)	12	10	25	25	36	37

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2016-17)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	487	477	97.95	26.47
Male	264	258	97.73	21.79
Female	223	219	98.21	31.96
Black or African American	--	--	--	--
American Indian or Alaska Native	--	--	--	--
Asian	11	11	100	36.36
Filipino	--	--	--	--
Hispanic or Latino	466	456	97.85	25.93
Native Hawaiian or Pacific Islander	--	--	--	--
White	--	--	--	--
Two or More Races	--	--	--	--
Socioeconomically Disadvantaged	463	453	97.84	25.88
English Learners	259	251	96.91	10.8
Students with Disabilities	62	61	98.39	4.92
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group
Grades Three through Eight and Grade Eleven (School Year 2016-17)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	486	479	98.56	10.23
Male	263	260	98.86	9.23
Female	223	219	98.21	11.42
Black or African American	--	--	--	--
American Indian or Alaska Native	--	--	--	--
Asian	11	11	100	27.27
Filipino	--	--	--	--
Hispanic or Latino	465	458	98.49	9.61
Native Hawaiian or Pacific Islander	--	--	--	--
White	--	--	--	--
Two or More Races	--	--	--	--
Socioeconomically Disadvantaged	462	455	98.48	10.11
English Learners	259	254	98.07	4.72
Students with Disabilities	62	60	96.77	1.67
Foster Youth	--	--	--	--

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Science for All Students
Grades Five, Eight, and Ten**

Subject	Percent of Students Scoring at Proficient or Advanced					
	School		District		State	
	2014-15	2015-16	2014-15	2015-16	2014-15	2015-16
Science (grades 5, 8, and 10)	43	35	43	41	60	56

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

Career Technical Education Programs (School Year 2016-17)

SARC Career and Technical Education (CTE) 2016/2017, Pomona Unified School District, Career Academies and San Antonio ROPs, career pathway programs, are on all high school campuses and prepare students for high-skill, high-wage jobs in emerging and growing industry sectors. Students demonstrate mastery through industry certifications, post secondary articulations and job placement in designated fields. CTE teachers work with academic teachers to ensure both college academic achievement and career training which includes CTE, A-G courses. Basic and industry specific training for employment readiness is supported and reviewed by advisory committee members made up of business, labor and community stakeholders. Skills assessments are completed and reviewed as to how to enhance programs to give all students the opportunity to be college and career ready and successful. Students participate in career technical student organizations to develop outcomes that are successful and that help them meet professional skills in higher education and/or job placements.

Career Technical Education Participation (School Year 2016-17)

Measure	CTE Program Participation
Number of pupils participating in CTE	136
% of pupils completing a CTE program and earning a high school diploma	88%
% of CTE courses sequenced or articulated between the school and institutions of postsecondary education	100%

Courses for University of California (UC) and/or California State University (CSU) Admission

UC/CSU Course Measure	Percent
2016–17 Pupils Enrolled in Courses Required for UC/CSU Admission	56.68
2015–16 Graduates Who Completed All Courses Required for UC/CSU Admission	48.57

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2016-17)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
7	22.8	23.5	19.1
9	30.6	22.3	24

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2017-18)

Many individuals and groups provide support for the educational program at Fremont Academy. The English Learner Advisory Committee (ELAC), School Advisory Committee (SAC), and School Site Council (SSC), and Parent Teacher Student Association promote parent education, fund raising, educational/cultural assemblies, and support the many activities the school is involved with throughout the year.

The ELAC is composed of parents, the resource teacher and the school principal or designee. The ELAC meets every other month, and its primary purpose is to advise the principal in four major areas including a) the school plan for English Learners, b) the development of the school's needs assessment, c) the language census report and d) the importance of school attendance. The English Learner Advisory Committee elects a parent representative for the District English Learner Advisory Committee.

The SAC is composed of parents. The SAC meets every other month and advises the principal on the development of a parental involvement policy, parent education, and necessary interventions to improve student achievement. A parent representative is a member of the District Advisory Council.

Parents are an integral part of Fremont Academy. The School Site Council, which is comprised of parents, staff, and student members, meets quarterly to coordinate school program improvement. Fremont Academy has a Single Plan for Student Achievement which addresses the strengths and weaknesses of the overall school program. Parents are invited to participate in the development, revision and review of the school plan, including the plan for parental involvement, through our parent meetings each year. Parent education is provided based on parental request/needs assessments.

Fremont is in the process of expanding parental and community involvement, especially with the teaching/learning process by implementing Parent Days and periodic Parent Walkthroughs. On Parent Days, parents are invited to attend school with their student. In the morning, parents sign-in and receive a brief orientation while the schedules of their students are printed out. Then, parents are invited to accompany their students to their classes and experience a day at Fremont with their students. For Parent Walkthroughs, small groups of parents come for a short orientation, and then they walk through classes to gather data around student learning needs.

Recognizing the importance of parents as team-members in ensuring that students achieve academic standards and schoolwide learning outcomes, Fremont has a Parent Center which is open for parent and community use daily. The Parent Center has computers available for parents and serves as a hub for parents at Fremont, including providing parent workshops and trainings. Current activities include parent support groups, parent technology training and support, parent Math workshops, parent NAMI training, parent outreach to other parents, reading groups, etc.

Fremont pays the costs of fingerprinting for all parents interested in being cleared to become volunteers. Parent volunteers are encouraged to engage as grade-level and team parents to be visible on campus regularly in support of school climate issues, classroom projects, field day activities and field trips.

All home-school communication is provided in Spanish and English, both written and via the InTouch home call system. Through the on-line system, Parent Connect, parents can log-on to monitor their students' grade, missing assignments, attendance, and behavior 24 hours a day, 7 days a week.

In collaboration with the Fremont Guidance Counseling Office and Pomona Unified School Mental Health Services, parent workshops are offered on a variety of topics, including self-care, drug education, support for students who are cutters, and gang awareness.

Fremont has expanded the use of Parent Connect, which is the parent access to the district student information system. All teachers are required to use the system, thereby providing parents with access to student grades, attendance and assignments. Teachers are using the system to display student progress, including missing assignments.

Fremont's parent involvement policy, home-school compact, and parent calendars are posted on our school website at <http://www.edlinesites.net/pages/Fremont/Links>

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School			District			State		
	2013-14	2014-15	2015-16	2013-14	2014-15	2015-16	2013-14	2014-15	2015-16
Dropout Rate	5.4	0	4.1	10.9	13.3	11.9	11.5	10.7	9.7
Graduation Rate	94.62	98.59	95.89	82.98	78.04	79.55	80.95	82.27	83.77

Completion of High School Graduation Requirements - Graduating Class of 2016 (One-Year Rate)

Group	Graduating Class of 2016		
	School	District	State
All Students	95.89	82.84	87.11
Black or African American	100	84.07	79.19
American Indian or Alaska Native	0	100	80.17
Asian	100	95.56	94.42
Filipino	0	95.83	93.76

English Learners	25	45.41	55.44
Students with Disabilities	96.88	86.81	85.45
Foster Youth	0	88.24	68.19

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Rate	School			District			State		
	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17
Suspensions	6.2	7.4	7.5	4.4	3.2	3.8	3.8	3.7	3.6
Expulsions	0.0	0.1	0.1	0.0	0.0	0.0	0.1	0.1	0.1

School Safety Plan (School Year 2017-18)

Safety of the students and staff is a primary concern of the Pomona Unified School District and Fremont Academy. Fremont Academy is in compliance with all laws, rules and regulations pertaining to hazardous materials. All staff are trained annually on the school safety plan, and a disaster preparedness plan is in place for earthquakes and emergency evacuations. This plan is revised and updated on a regular basis. All buildings within the district are in compliance with state earthquake standards. A discipline policy is in place to insure a safe and orderly environment for all students and staff. A Safe School Plan has been adopted and it includes policies on disaster preparedness, student discipline, the components of a safe and orderly school environment, suspension/expulsion procedures, safety, child abuse reporting procedures, student dress codes, and student and staff sexual harassment. The school site administration meets with the campus security officers regularly to update the security schedule to meet the necessary security needs of the school. Safety meetings are conducted regularly with district administration, school site administration and local police to discuss current issues and concerns surrounding the school site and the communities. Additional community support services such as Pomona Police, LA county psychological services, and the family community resource center are utilized on an as needed basis. The school safety plan was reviewed and updated initially by Fremont staff in September 2009 and is evaluated every school year. For the 2017-2018 School Year, the School Safety Plan was updated and reviewed with the entire staff on Friday, August 25, 2017 and again on Friday, October 18, 2017.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Federal Intervention Program (School Year 2017-18)

Indicator	School	District
Program Improvement Status	In PI	In PI
First Year of Program Improvement	1998-1999	2004-2005
Year in Program Improvement*	Year 5	Year 3
Number of Schools Currently in Program Improvement	N/A	31
Percent of Schools Currently in Program Improvement	N/A	96.9

Note: Cells with N/A values do not require data.

Average Class Size and Class Size Distribution (Secondary)

Subject	2014-15				2015-16				2016-17			
	Avg. Class Size	Number of Classrooms			Avg. Class Size	Number of Classrooms			Avg. Class Size	Number of Classrooms		
		1-22	23-32	33+		1-22	23-32	33+		1-22	23-32	33+
English	24	16	9	12	22	17	16	8	20	24	16	6
Mathematics	26	18	9	17	20	18	9	5	21	17	15	5
Science	30	5	15	19	31	2	15	22	28	11	9	18
Social Science	26	10	3	15	28	6	7	14	29	3	15	8

Note: Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Academic Counselors and Other Support Staff (School Year 2016-17)

Title	Number of FTE Assigned to School	Average Number of Students per Academic Counselor
Academic Counselor	3	290
Counselor (Social/Behavioral or Career Development)	0	N/A
Library Media Teacher (Librarian)	0	N/A
Library Media Services Staff (Paraprofessional)	1	N/A
Psychologist	0.5	N/A
Social Worker	0	N/A
Nurse	.5	N/A
Speech/Language/Hearing Specialist	0.33	N/A
Resource Specialist	1	N/A
Other	2	N/A

Note: Cells with N/A values do not require data.

*One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Expenditures per Pupil and School Site Teacher Salaries (Fiscal Year 2015-16)

Level	Expenditures Per Pupil			Average Teacher Salary
	Total	Supplemental/ Restricted	Basic/ Unrestricted	
School Site	5958	1284	4674	78415
District	N/A	N/A	5034	\$79,778
Percent Difference: School Site and District	N/A	N/A	-7.2	-1.7
State	N/A	N/A	\$6,574	\$79,228
Percent Difference: School Site and State	N/A	N/A	-28.9	-1.0

Note: Cells with N/A values do not require data.

Types of Services Funded (Fiscal Year 2016-17)

Fremont Academy receives the following funds: Title 1 and LCFF Funds. The funds are used to pay for personnel, materials, supplies, equipment, parent involvement, and professional development. The PTA and donations received by the school help to fund field trips, student incentives and special events.

Teacher and Administrative Salaries (Fiscal Year 2015-16)

Category	District Amount	State Average for Districts In Same Category
Beginning Teacher Salary	\$46,287	\$47,808
Mid-Range Teacher Salary	\$77,237	\$73,555
Highest Teacher Salary	\$93,690	\$95,850
Average Principal Salary (Elementary)	\$119,216	\$120,448
Average Principal Salary (Middle)	\$119,387	\$125,592
Average Principal Salary (High)	\$136,266	\$138,175
Superintendent Salary	\$279,056	\$264,457
Percent of Budget for Teacher Salaries	38%	35%
Percent of Budget for Administrative Salaries	6%	5%

For detailed information on salaries, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Advanced Placement (AP) Courses (School Year 2016-17)

Subject	Number of AP Courses Offered*	Percent of Students In AP Courses
Computer Science	1	N/A
English	2	N/A
Fine and Performing Arts		N/A
Foreign Language	2	N/A
Mathematics	3	N/A
Science	2	N/A
Social Science	4	N/A
All courses	14	19.9

Cells with N/A values do not require data.

*Where there are student course enrollments of at least one student.

Professional Development (Most Recent Three Years)

Pomona Unified School District is committed to providing high quality professional learning for administrators, teachers, classified staff and parents that is aligned to the District’s Strategic Plan, Our Promise of Excellence and is focused on academic achievement.

District teachers and support staff participate in six Professional Development Days that are driven by student achievement data, staff learning needs, and research-based best practices. Six District-wide days of professional learning and collaboration for 2017-2018 are concentrated around our focus areas (A.I.R.2) – Academic: Academic Vocabulary, Informational Text: Reading and Writing, and Rigor, Social-Emotional: Attendance, Intervention, and Relationships including an emphasis on English Learners, Foster Youth, and Low-income Pupils -- as well as articulation with grade level and department colleagues to enhance instruction and assessment. These focus areas are in direct alignment with federal, state, and district student achievement academic goals. In addition to the district-wide professional development days, sites use their weekly late start Friday sessions, 2 additional hours per month, and 4 additional hours per year (once per semester), to analyze student achievement data in a collegial forum. They then design effective instructional interventions to promote students’ academic growth. Each site’s professional development plan is designed collaboratively to address identified student achievement and staff needs aligned to the District’s focus areas as indicated in each site’s Single Plan for Student Achievement (SPSA).

District and site professional development also includes trainings around 21st Century Teaching and Learning which include the California State Standards and the P21 Framework. Training outcomes are to increase the capacity of site and teacher leaders to lead the transition and implementation of the California State Standards. Sessions include themes such as the need for a paradigm shift in teaching and learning, the essential components of the P21 Framework, California State Standards, English Learner standards and framework, equity and culturally responsive instruction, social and emotional learning, and integrating the use of technology to enhance/support instruction and learning. Performance Matters, our professional learning management system is supporting us in paving the way for various formats and structures that allow for increased voice, choice, and time around options for professional learning experiences. Ranging from traditional face-to-face sessions, to the creation of hybrid sessions (face-to-face and online digital modules), to pure online digital modules. New this year is our implementation of KYTE Learning an online digital platform that will support just in time technology professional learning and acquisition of technology based badges. In addition our District is partnering with the Center for Quality Teaching (CTQ) to pilot another option for professional learning through the venue of online, just in time, micro-credentials.

Through monthly content and grade level specific cohorts, along with other year-long activities, District Teacher Specialist and Teachers on Assignment model, co-teach, coach, conduct peer observations, facilitate trainings, and conduct sessions focused on lesson design and delivery of District focus areas, and other site and District instructional initiatives. Teacher Specialists and site-based teacher mentors, and teaching teacher specialists serve as the District’s teacher support program mentors for Pomona’s Teacher Induction Program for participating teachers in the process of clearing their credential. These programs support the training, development, and retention of high quality teachers using current research on effective teaching and grounds what they are learning in daily practices. PUSD administrators also engage in monthly professional learning with embedded Professional Learning Community opportunities to grow and learn collaboratively with peers. Administrators in need of clearing their credential have the opportunity to do so by participating in PUSD’s new Administrative Tier II Credential Program. Participating principals work with a mentor, engage in reflective thinking, coaching, and attend monthly training sessions.

Various departments within Educational Services also provide and receive workshops on relevant topics in response to District and site-identified needs. These include responsive instruction, budget, technology, personnel, and pupil resources issues, as well as problem-solving and facilitative skills. The Curriculum Instruction and Accountability team include administrators, managers, and other administrative staff and serves as a forum to connect stakeholders to the District's focus areas (A.I.R.2)-- Academic Vocabulary, Informational Text: Reading and Writing, and Rigor, Attendance, Intervention, and Relationships with an emphasis on English Learners, Foster Youth, and Low-income Pupils and 21st Century Teaching and Learning.

Pomona Unified School District continues its commitment to providing quality professional learning opportunities in technology. With the establishment of District technology standards and the use of Haiku (online learning management system), PUSD has provided a critical base for technology training classes. These session topics include Internet use, OARS (Online Assessment Reporting System), Web 2.0 tools and creating and using multimedia as a vehicle to enhance teaching and learning. To meet these goals, Educational Technology (Ed Tech) Teacher Specialists serve as technology/instructional trainers who work in classrooms to provide coaching and support for teachers who use technology-based intervention programs. Teacher Technology Leads (TTLs) serve as a site level technology support and accelerate the implementation of the Technology Master Plan.

Teachers participate in developing curriculum documents in our curriculum management system, EdCaliber/Lessoneer, based on needs identified by the District's Curriculum Committees. These committees, composed of teacher and administrative representatives, meet in grade level groups, (PreK-8 and 6-Adult) to examine new State publications and reform efforts, discuss curriculum issues and identify needs for new or revised District curriculum documents. Examples of projects include the creation of grade specific standards-based electronic report cards, standards-based curriculum guides, course descriptions aligned to the California State Standards.

Our overall professional development vision is to design and implement a highly coherent, innovative, district-wide professional learning system that is responsive to the differentiated needs of adult learners using a professional development model that honors the adult learners' voice, choice, time, and professionalism, builds individual and collective efficacy, promotes deep organizational learning and sustainable optimal results that ultimately leads to high student achievement and college and career readiness for all students. The goal of the Educational Services' Division is to provide professional learning that supports schools in the implementation of effective instructional programs and strategies to ensure "Excellence for every student, in every classroom, every day!"
