Celebrate the Arts on Sunday

The Fine Arts Department will stage its final production of the 2018-2019 school on Sunday when the St. Joseph Catholic School community enjoys the annual "Celebration of the Arts."

The program begins at 2 p.m. in the Fine Arts theater featuring a concert by the Bruin band. Students will perform a selection of classic and contemporary songs. The concert will highlight senior performers.

A combined seventh- and eighth-grade choir will perform three songs in the concert, and the high school girls choir will perform four songs. All choirs will join together to perform "Love is Love."

Not-to-be-missed is the Senior Art Show in the Fine Arts Building. Seniors will display art they created throughout their entire career at St. Joe. Specially marked pieces will be available for purchase.

In the file photo above, senior Catherine Cook takes a spin last fall on a new pottery wheel gifted by the Fine Arts Support Team.
