

Good Afternoon St. Mary's Families,

Just a few notes today, as I am away from school at a statewide Catholic School Principals Meeting:

Today our students joined together to raise money for the 5th & 6th graders MOSS Camp. What a wonderful day to have this fun tradition. Everyone had a blast! Thanks to all who made this event possible.

As the weather gets cooler, please make sure to send a light jacket or sweater for the cool mornings – it is helpful to have your child's name written inside any garments – just in case it is left on the playground.

Reminder: our fall MAP testing continues (please see attached schedule). We changed things up a little bit this year and extending testing one week; the reason for the additional week is so all of our tests take place in the morning. Our 2nd – 8th grade students will be tested in the areas of reading, language arts and math. Our 4th and 8th grade students are also tested in the area of science. Please make sure your child eats a good breakfast that includes some type of protein – this helps in brain function not only during testing, but every day!

Enjoy your day, and have a wonderful weekend,

Blessings,

Tammy Emerich
Principal
