

Zion's Prayer Page

January 13-19, 2019

Sunday As many of us gather at Zion this weekend to receive Jesus, the Bread of Life (John 6:35), pray that all in our world might receive the **daily bread** they need (Matt. 6:11) to "support this body and life."

Monday **Life Light Bible study** resumes this Monday (10 a.m. and 7:15 p.m.) for a nine-week study on Ephesians and 1/2 Thessalonians. Ask for God's blessings for all who study His Word.

Tuesday Ask the Lord to bless our **Zion Lutheran office and administrative staff** as they carry out the day-to-day operations of our church and school.

Wednesday **Lois Ruggles** continues to recover from a fall a couple of weeks ago. Ask the Lord to remind her (and you) that for those who love Him, He makes His home with them. (John 14:23)

Thursday Pastor Ripke and two other members from Zion will be among the delegates gathered at a monthly meeting for **Faith Lutheran High School** tonight. Pray for the students and teachers at FLHS, and for the governing board as they make important decisions for the future.

Friday Today is the monthly opportunity for Zion to host worship services at the **Florence Nursing Home**. Ask for God's continued presence and peace for those who live there, and that He bless those who work there with diligence and strength.

Saturday This weekend Zion will observe **Life Sunday**, as we thank God for His gift of life to all of the people in His world. Pray that we may value life as God does, that all people may become one in Christ Jesus. (Galatians 3:28)
