If you elect not to have your son or daughter participate in the program, you are required to remove them from the building and return them at the appropriate time for the remainder of the day's instruction. Secondly, you must give written notice that you are removing your child(ren) from the program activities. Please fill in the form below to notify us of that decision and return the form to the school.

I have elected to remove my child(ren) listed below from the Human Sexuality program and I will be picking my child(ren) up on those days and times to provide for alternative activities during those time.

Child(ren) being removed:
