Progress Report Cards

Parents, middle school progress reports went home Friday, January 18th. Please take the time to review the progress report with your child. With only four more months of school to go, now is the time for your child to make the necessary changes to improve his/her grades! If you have any questions or concerns, please contact the office or your child's teacher to arrange a parent meeting to discuss your child's progress. As always, we also encourage you to monitor your child's grades and attendance online (6-8th grade only). If you need assistance with obtaining access to Parent Portal, please stop by the office for assistance. Please do not wait until it is too late to improve your child's grades. If your child is on task, keep encouraging your child to keep doing a great job! Way to go!

Parenting Tip

Helping your child with homework
Your child's work is his/her responsibility. Make sure you provide a regular time and clear space for them to complete their assigned work. Help your child focus on the homework ahead of time by asking specific questions such as: "What math do you have to complete tonight? Encourage them to work independently but stay nearby to answer questions or help review. If they do not understand the assignment remind them to ask the teacher specific questions.

Who I Truant?

California Education code (EC&48260) states that students are truant if they have three (3) or more days of unexcused absences or tardies of more than thirty (30) minutes in one school year.
