Assessment of the Current Status of School Crime

Vista Grande Elementary is a safe and secure campus. Perimeter fences and a single entry point allow the campus to be closed. A new visitor management system, Raptor, has been successfully implemented ensuring all visitors are accounted for and have checked in and out with the school office.

There have been no crimes committed on campus nor at school-related functions. Student suspensions remain very low with little to no suspensions in a school year. Office referrals on a yearly basis range from 20 – 30 incidents. Most referrals are due to a violation of school rules while on the playground. Vista Grande students are explicitly taught behavioral expectations, or how to S.A.I.L. That is, Show respect, Act responsibly, Include others, and Listen and think. Those students with office referrals are provided reteaching of behavioral expectations and appropriate consequences. Continuous reinforcement for following behavioral expectations and reteaching of S.A.I.L have kept the office discipline referrals minimal.

PVPUSD utilizes Aeries reporting to track our student attendance and monitor concerns with chronic absenteeism. There is a process for sites to follow when there is a concern regarding absenteeism and truancy. All schools have a School Attendance Review Team (SART) to collaborate and consult on how to provide intervention to the students and families with identified attendance issues. The District also holds Student Attendance Review Board (SARB) hearings for cases that are not resolved at the site level and need further intervention.

Alternate means of correction are employed to address discipline infractions prior to suspension for lower level Education Code violations. As a preventative measure, all K-8 schools have implemented Positive Behavior Intervention Supports (PBIS), which focuses on teaching our students about behavioral expectations and providing positive feedback. Restorative practices are being utilized across the district to ensure a comprehensive approach to discipline and behavior interventions.

PVPUSD has a comprehensive approach to student mental health and support across our K-12 schools to address the identified needs in our California Healthy Kids Survey. Our district has a well-developed suicide prevention policy that encompasses education, intervention and postvention programs. All certificated and classified staff have been trained in suicide prevention education. Students in grades 7-12 are also receive classroom guidance lessons focused on mental health, social-emotional supports and suicide prevention. Our K-8 schools have also implemented Social Emotional Learning curriculum as preventative education. There has been an increase in the days the school psychologist has been assigned to each elementary school site with a focus on supporting the social-emotional needs of general education students.

Reportable Offenses
A mandated reporter shall make a report using the procedures provided below whenever, in his/her professional capacity or within the scope of his/her employment, he/she has knowledge of or observes a child whom the mandated reporter knows or reasonably suspects has been the victim of child abuse or neglect. The child shall be given the choice of being interviewed in private or in the presence of any adult school employee or volunteer aide selected by the child. (Penal Code 11174.3)

A staff member or volunteer aide selected by a child may decline to be present at the interview. If the selected person accepts, the principal or designee shall inform him/her of the following requirements: (Penal Code 11174.3)

1. The purpose of the selected person's presence at the interview is to lend support to the child and enable him/her to be as comfortable as possible.
2. The selected person shall not participate in the interview.
3. The selected person shall not discuss the facts or circumstances of the case with the child.
4. The selected person is subject to the confidentiality requirements of the Child Abuse and Neglect Reporting Act, a violation of which is punishable as specified in Penal Code 11167.5.

Disaster Response Procedures

Vista Grande Elementary is well-prepared to respond to a variety of incidents. We have a disaster shed with a satisfactory amount of emergency supplies such as water, food, first aid supplies, search and rescue supplies, blankets, flashlights, etc. Staff train annually with these supplies in October of every year. Additionally, a drill is held each month to ensure we are practicing our emergency response procedures. A practiced student release system is in place. In the event of an emergency that requires an evacuation to the field, the student release will be set up by the Kinder yard pick up area. This is the same area where students congregate after school daily for pick up. If an off site evacuation is necessary, students will be released from Palos Verdes Intermediate School.

All rooms are equipped with an emergency checklist to enable staff to refer to the correct plan of action for each incident. Each room has a disaster bin with student emergency cards and supplies. Special consideration has been given to emergency procedures with regard to students with disabilities.

All district faculty and staff have received active shooter training called Run-Hide-Fight. All District school sites have implemented a Visitor Management System called Raptor, to increase safety and security measures on campus. The Raptor Visitor Management school security system screens for sex offenders, alerts staff of custody violations, and provides districtwide reporting for all visitors.

All District school sites and offices have at least one Automatic External Defibrillator (AED) on campus. All District school sites have a tactical response plan in place. The District works collaboratively with local fire, police, sheriff, and EMS (LA County and Palos Verdes Estates) to ensure the safety of staff and students.
Procedures for Notifying Teachers about Dangerous Pupil

In order to fulfill the requirements made by Education Code 49079 and Welfare and Institutions Code 827 that state teachers must be notified of the reason(s) a student has been suspended. The Palos Verdes Peninsula Unified School District has incorporated this notification into the existing “Attendance Reporting screen”. On the daily attendance report, when a student is suspended, will show an “SSA” next to the student’s name. The teacher can access the suspension by looking at the student’s discipline screen. The information provided is for the student’s current teachers only. All information regarding suspension and expulsion is CONFIDENTIAL, is not to be shared with any student(s) or parent(s). Teachers are asked to secure the list so students and others may not view it.

Pursuant to Welfare & Institution Code 827(b) and Education Code 48267, the Court notifies the Superintendent of the Palos Verdes Peninsula Unified School District regarding students who have engaged in certain criminal conduct. This information is forwarded to the site Principal. The site Principal is responsible for prompt notification of the student’s teachers. Per Education Code 49079, this information must be kept confidential. This information is also forwarded to all administrators and the student’s counselor.
Procedures for Safe Ingress and Egress from School

Vista Grande Elementary has a posted evacuation map in every room. Students are trained on the appropriate routes in the event of an emergency. When exiting campus, classrooms take different routes to ensure little to no congestion. Overhangs and buildings are avoided as students mainly through the back door of their classrooms.
