

Summer Assignment  
Honors – United States History in the 20<sup>th</sup> Century  
Teacher: Mr. Tobias or Mr. Gill

Congratulations! You have successfully earned entrance into the 9<sup>th</sup> grade Honors US History course for the 2019-2020 school year.

Google Classroom code: ai1bmh

**Your summer assignment:**

Your first task for this class will be to read Chapters 16 – 18 of *History Alive: Pursuing American Ideals*. Study and become familiar with all of the bold terms and the list of people and legislation below. You will be tested on these terms and people on the **second full day of class**. It will be worth a significant percentage of your first marking period grade.

**The test** will consist of multiple-choice and matching questions on the topic of Progressivism. You will need a # 2 pencil for the test. Additional paragraph responses will also be on the test. Every question on the test is based on the text so you will *not be required to do outside research on this topic*.

Please identify the key elements for the following terms, people and legislation as seen on the next page. While preparing over the summer you won't need to organize more than a paragraph per topic or person. **There will be nothing to hand in to the teacher.** *You just need to keep in mind the following guide: who, what, where, when, why, how.*

Good luck and enjoy your summer. If you have any questions, feel free to email me at: [jtobias@bordentown.k12.nj.us](mailto:jtobias@bordentown.k12.nj.us)
