## READY TO "GIVE" YOUR MOVE ON?

St. Catherine's Montessori has a real estate rebate program that has become a valued fundraising source for the school. Since its inception in 2015, the program has raised nearly \$12,000! Not only do the children of St. Catherine's benefit, my clients benefit from the expertise, knowledge, and professionalism I bring to the process of buying or selling their homes. This program is truly a win-win!
