3. **Margarita Villarreal:** Once you have everything taken care of with Cindy Black, please let Margarita know that you are ready to sub at JH (432.758.9431). She can add you to the list of people she calls when a sub is needed.

## Tips

We take discipline very seriously at SJHS and have high standards for our students. Always let the office know if you have any problems while on our campus. We also have high standards for our substitutes and provide a folder for all subs outlining our expectations, bell schedules, special information, and important things to know.
