ROSE & ALEX PILIBOS
ARMENIAN SCHOOL

Dear Pilibos Family,

We want to thank you all for your patience and understanding during these uncertain times. All day, Pilibos Faculty were in training sessions getting ready for the online transition that will begin on **Wednesday, March 18**. Several teachers have already reached out to some students in hopes of testing out our systems. While we still have some preparing to do, we are confident that this transition will be an easy one.

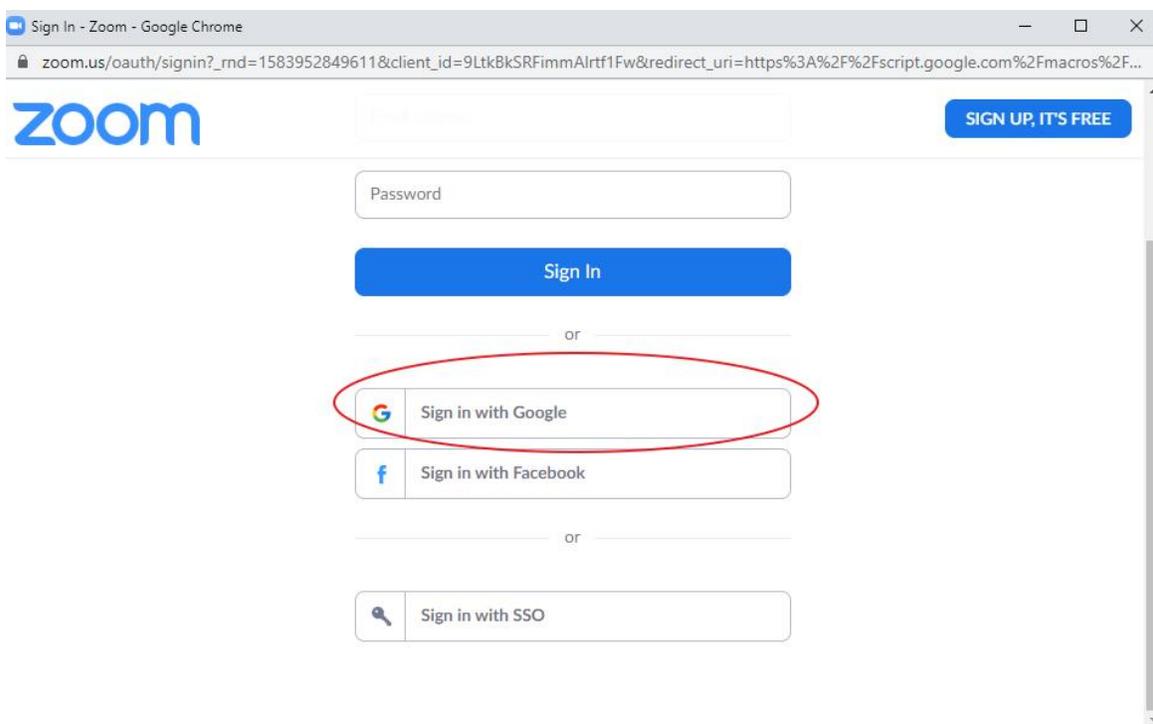

We will be sending updates and information periodically, so please make sure to check your email regularly. We thank you again for your cooperation and wish everyone a safe and healthy weekend!

Sincerely,
The Administration

Middle and High School Only

As we get ready for online instruction to begin on Wednesday, March 18, below please find important guidelines:

- Various online and alternative classroom teaching tools will be used, such as Google Classroom, Zoom, and Infinite Campus.
- What is Zoom?
Zoom is the web and app based video conferencing service that Pilibos offers to teachers and students (anybody with a pilibos.org email). Zoom offers many features such as voice and video conferencing, screen sharing, and co-annotation.
- To prepare, please download and sign in using the Google sign in option with your Pilibos email and password.

- Once you've signed in, you're set! Please wait to receive meeting invitations from your teachers!
- Upon joining a Zoom meeting, please mute your sound and video until your teacher instructs you to do otherwise.
- Choose a neutral background for your sessions.
- Although you do not have to be in uniform, please wear appropriate attire.
- Be on time!
- Use a computer desktop/ laptop, if possible, to have access to all the available features.
- Here's a short video on how to join a meeting on Zoom:
 - <https://youtu.be/vFhAEoCF7jg>
- If you have any issues signing in or do not have access to a computer or WiFi, please contact your Academic Director or the Administration at contact@pilibos.org as soon as possible.

We will continue to share important information, such as class schedules in the upcoming days. In the meantime, if you have any questions, please do not hesitate to reach out.

We can't wait to see you all soon!
