Principal Concerns - Jason Dorsett

-YES Time

-Students are utilizing the time efficiently, especially for make-up work.

-Attendance for YES Time has been very good.

-The breakfast line being backed up during the morning breaks are a concern. Two lines have been opened, and we think it will improve.

-Deciding how Friday YES time will work is another concern. Mr. Dorsett will send an email out to teachers and students to come up with ideas.

-Our custodial staff is short-handed, but overall we are doing a great job keeping our campus clean. Encourage students to clean up after themselves.

-We will stick to giving a minimum grade of 55 for the first grading period. A conversation needs to be had with the student and parents who have a failing grade.

Innovation Day (10/11/18) - Garrett Howlett

-The Innovation Day schedule has been shared with staff.

-Students will stay with their first period classes.

-Staff will discuss Innovation Day with students in each class. Talking points will be sent out.

-The PSAT will be given on October 10th.

-The Pre-ACT will be given to all sophomores on November 7th.

-Data points will be posted to the data walls in the PLC room soon.
