

SAINT PASCHAL BAYLON SCHOOL ***2019-2020 SPORTS PROGRAM***

Saint Paschal Baylon School (SPBS) is proud to provide our students with a large, varied, thriving and competitive sports program. SPBS holds team practices Monday-Thursday, plays other designated Catholic elementary schools in the Valley Catholic Sports League (VCSL), and/or participates in weekend middle school sports tournaments.

The fee for participation is \$75.00 per sport listed below. Payment is due in the office prior to the start of the first practice of the season. ***All students*** who will be playing (and practicing) on SPBS boys' or girls' athletic teams must complete: *Permission to Participate in the SPBS Sports Program Form*; *Archdiocesan Activity Permission Form*; and *Athletic Code of Conduct*, and return forms with a **check for \$75.00 to the school - prior to the first practice of the season** (forms are available on the SPBS website: stpascalbaylonschool.org under "Forms").

There must be an adult present on Uniform Distribution for a student to receive his/her team uniform. ***No uniform will be provided without receipt of completed permission forms and \$75 fee*** (please make checks payable to "St. Paschal Baylon School or SPBS"). This fee is not a deposit: it covers the Valley Catholic Sports League fees, referee fees, field rental fees, SPBS uniforms/polos, our annual Sports Banquet, a portion of the SPBS Varsity Jacket cost, insurance, and other expenses. **NOTE: Team uniforms and navy/red polo shirts are provided by the school on loan and must be returned at the end of each season. If the student fails to return any part of the uniform and/or team polo shirt in a timely manner, the family will be billed by SPBS.**

Thank you for your interest, collaboration, and support of the SPBS sports program. We are looking forward to another successful BEARS sports season! Please remember that our SPBS student-athletes represent Saint Paschal Baylon School, and as such, will be held to all expectations of behavior outlined in the *SPBS Parent/Student Handbook*, and the SPBS "Athletic Code of Conduct" both on our campus, and on any other field of play.

If you have any questions please contact our SPBS Athletic Director, Mrs. Patricia Beck, at 805-495-9340, EXT.126

I hereby request that my son/daughter* _____ attend/ participate in the St. Paschal Baylon School Sports Program in the team listed above.

Students must be in the complete SPBS team/cheer uniform in order to participate in the game.

Transportation is the responsibility of the student athlete's parent and/or guardian – transportation is not provided nor arranged by the school for any games or tournaments. Students may not proceed to the Hall for practice or for a game without being accompanied by their SPBS Coach.

Furthermore, I do not hold anyone connected with this activity responsible if any misfortune should occur. I understand and support the fact that my son/daughter must comply with the directions given by the school to the group involved in this activity. I request that my child be permitted to participate in the above SPBS Sports Program. I agree to instruct my child to cooperate and conform to the directions and instructions of the supervisory personnel in charge of the team, and to represent SPBS with pride. I understand that my child's behavior on and off the playing field reflects on SPBS, and I will instruct them to behave appropriately.

I will discuss the SPBS Athletic "Code of Conduct" with my child, prior to having it signed. I will help my child understand that *losing with honor* is an important "life lesson". In addition, I understand that the 5th and 6th Grade "B" teams are considered more "instructional", and therefore efforts will be made by the coaches to allow some playing time for all players to participate in as many league games as possible, *based on the criteria for playing time established for each team by the coach.*

However, the SPBS 7th and 8th Grade "A" teams compete during the regular season, in order to earn a place in the Valley Catholic League Playoffs. Therefore, in those grades our SPBS teams are "competitive" and do try and win games as a goal, as well as having instructional skill building and team building as goals. This advanced level will therefore by its nature provide *less playing time for some players and more for others, again based on the criteria established for each time by the coach.* Please help your child understand there is inherent value to being on the team-no matter their skill level, even when they do not experience much playing time in games.
