Everett

121 Vine Street, Everett, MA

12 May 2020

To the Student Body and Families of Everett Public Schools,

As you know by now, Everett Public Schools has cancelled all in-person instruction through Friday, May 15, 2020. Beginning Monday, May 18, 2020, students will complete their schoolwork via distance learning with remote sessions with teachers.

This decision was not taken lightly. It is being made in the interest of public health and safety. Everett Public Schools (EPS) has been working closely with the Everett Public Health Department and the Massachusetts Department of Public Health to plan for a safe and smooth transition.

We are implementing a phased approach to the return of in-person instruction. EPS has developed a plan that prioritizes the health and safety of students and staff. This plan includes a phased approach to the return of in-person instruction.

EPS has provided meals to students on Mondays, Wednesdays, and Fridays, and will continue to do so until June 19, 2020. These meals will be available at all school sites.

We understand that this is a difficult time for all, but we are committed to doing everything we can to keep our community safe. We appreciate your support and cooperation.

Sincerely,

Priya Tahiliani
Principal
