

# Power Up Your Math Skills @ WES Family Math Night

Wednesday, December 12, 2018  
Check in at 5:15 p.m.  
5:30-6:30 p.m  
Waiakea Elementary Cafeteria

- Come and explore the wonders of math with your child and enjoy an exciting evening of hands-on learning activities and games.
- Drop in and rotate among various grade level math games that focus on concepts your child will be learning.

1. **Learning About Numbers in a Fun and Creative Way:** Learn about different games you can play to enhance your child's number sense. Skills include: counting, number recognition, one-to-one correspondence, counting on, subitising, addition, and subtraction.
2. **Addition/Subtraction Card Games:** These card games will help your child build addition and subtraction fact fluency.
3. **Word Problem Strategies:** Learn how the 2nd graders will be solving word problems (addition and subtraction) within 100 using various strategies.
4. **Multiplication Games:** Learn a variety of fun ways to encourage children to recall multiplication facts quickly.
5. **Multiplication War:** Learn how to play a fun family game utilizing a deck of cards .... multiplication war!
6. **Adding Fractions with Unlike Denominators:** Using fractions tiles, we will go over how to add fractions with unlike denominators. We will then connect that work to the algorithm for adding fractions.
7. **Race to Midnight Game:** Learn how to build fluency with elapsed time (3.MD.1), using a number line and T-Chart.

## RSVP... Count Us In!

Student Name: \_\_\_\_\_ Siblings: \_\_\_\_\_  
 Homeroom Teacher: \_\_\_\_\_ Total # Family Members Coming \_\_\_\_\_

**Please put a check on the 3 activities** that you are most interested in attending. Participants will rotate among 3 different activities.

<input type="checkbox"/> <u>Learning About Numbers</u> (Gr K focus)	<input type="checkbox"/> <u>Addition/Subtraction Card Games</u> (Gr. 1 focus)
<input type="checkbox"/> <u>Word Problem Strategies</u> (Gr. 2 focus)	<input type="checkbox"/> <u>Multiplication Games</u> (Gr.3 focus)
<input type="checkbox"/> <u>Multiplication War</u> (Gr. 4 focus)	<input type="checkbox"/> <u>Adding Fractions with Unlike Denominators</u> (Gr. 5 focus)
