June 2019

Dear Parents and Students,

It is with great anticipation that I share a new format for our annual fall orientation process. Beginning with the 2019-2020 school year, many of the required forms will be accessible online through ParentVUE and StudentVUE. The following forms have traditionally been sent home in the mail and will now require an **electronic parent and/or student signature**:

- Parent/Student Handbook Acknowledgement Form
- Acceptable Use Policy Acknowledgement Form (AUP)
- Concussion Acknowledgement Form
- Athletic Emergency Acknowledgement Form
- Athletic Handbook Acknowledgement Form

In August, please look on the Linden High School website for tutorials on navigating online forms and signatures. To further assist you in this process, ParentVUE Activation Key instructions will also be available in August.

In addition, I would like to offer a couple of suggestions that will make this change in format a bit easier:

- It is imperative that your ParentVUE/StudentVUE accounts are set up and activated.
- Ensure that we have the most up to date personal email address in ParentVUE for communications.
- Email addresses should NOT be linked to your place of employment as we have identified firewall issues with these types of addresses. A personal email address will ensure that our communications find you in a timely fashion.

Again, I would encourage you to have your ParentVUE/StudentVUE accounts activated, as well as ensure that we have an updated personal email address. If you have any questions regarding updating either of these, please call the high school main office at (810)591-0410 prior to our front office staff leaving for the summer on June 19, 2019.

Best Regards,

Darin Dreasky
Principal
