

May 2019 Collaboration Day Summary

The TK and Kindergarten teachers met and discussed district wide end of the year assessments. Back at their site, they worked on placement for the 2019-2020 school year. They placed 1st grade students and began planning for next year's TK and Kindergarten classes.

The first grade team met and discussed placement for the 2019/20 year.

2nd grade teachers met with Emily Blaney to reflect on the year and also met to discuss placement for the 2019/20 school year.

The third grade team met to discuss placement for the 2019/20 school year. They also counted the money collected from their fundraiser that will be donated to the Chumash Indian Museum to help with their rebuilding efforts after the most recent fires.

The fourth grade team discussed and placed 4th grade students into classes for the 2019/20 school year. This took the entire time as they had much to share about their students. They plan to revisit their class placement for final touches before they leave for the summer.

The fifth grade teachers met to work on placement for students the 2019/20 school year. They talked about distribution of materials, setting up for Science instruction, and scheduling for that year, as well.

The 6th grade team cleaned out the students' permanent record files to send to LCHS and discussed final details for the LCE retirement party.

The English Language Development teachers met with Anais Wenn and discussed ELD and the LCAP, ELPAC updates and end-of-the-year procedures, the Souday System, and plans for next year's program.
