

AGHS College & Career Center (3C) Newsletter ~ April 2019

A BIG Thank You to all of the AGHS Alumni who volunteered during their college Spring Break to speak to our current students about their college experience. We plan to continue this new tradition called "Alumni Week" where we have an informal Q&A session from past Eagles who are attending various colleges throughout the nation. It proved to be a positive experience for all!

We can feel the excitement as we can see the end of the school year in sight. Time passes much too quickly! With only 3 weeks before Spring Break we have so much to get done. Here are a few events and tasks that many students are looking forward to completing, hopefully before we go on Spring Break.
