

November 2018 Bobcat Home Team Gameplan

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
Habit of the Month- Habit 2: Begin with the End in Mind	We always have a plan.	We look at the picture on the box before doing a puzzle.	We read the recipe before cooking.	1 We read the map before a road trip.	2 We set objectives before beginning a lesson at school.	3
4	5 Help your child develop a personal mission statement.	6 How do you want other people to describe you?	7 How will you treat others?	8 How can you use your talents?	9 What dreams do you have for the future?	10
11	12 Help your child to set a goal not related to school.	13 Is there something that you want to buy?	14 How can we earn money for our wants?	15 Do you have an athletic related goal?	16 What do we need to do to be faster, better, and stronger?	17 Outline specific steps to achieve the goal!
18 The holidays are a great time to reflect as a family.	19 Create a family mission statement this week.	20 What do we want our family to be known for?	21 How will we treat one another?	22 What goals do we want to achieve?	23 Post in an easily accessible location.	24 Let this be a tool that grows and changes with your family.
25	26 Help your child to set an academic goal.	27 What area of school is my weakness?	28 What do I want to achieve?	29 Be specific- make honor roll, know multiplication facts, pass 5 AR tests, etc.	30 Commit to a plan to make it happen!
