North District Wolverines Earn Undefeated Season

Congratulations to **Coach Robert Gibson**, Wolverine football staff, and the **North District Middle School Wolverine Football Team** for an undefeated season.

Palmetto Electric Cooperative: Bright Ideas Grants - Part 2

A number of other teachers recently received "Palmetto Bright Ideas Grants". These teachers received a visit from the Bright Ideas Grant Prize Patrol and were given balloons and a big check to be used for instructional purposes in their classrooms. Thanks to Palmetto Electric Cooperative for supporting education. Pictured here is Ms. Tonya Robinson and her class from Ben Hazel Primary School. Other teachers, not pictured, who received a grant include **Donna Griner** (North District Middle School), **Robin Taylor** (Varnville Elementary) and **Robbie White** (Fennell Elementary).

Lady Wolverines - Region Volleyball Champions - Congratulations to **Coach Carolyn Robinson** and the **Lady Wolverine Volleyball Team** from **North District Middle School** for a winning season and earning the Region Championship.

Wade Hampton High School Student Named High School Heisman School Winner

Congratulations to **Brittany Kinard** from **Wade Hampton High School** for being named a National Wendy's High School Heisman School Winner. For more information, go to WENDYSHIGHSCHOOLHEISMAN.COM

Donors Choose Grant Recipients

Congratulations to **Ms. Tonya Robinson** from **Ben Hazel Primary** who received a Donors Choose Grant to create a Break Box. The Break Box will be full of great fidgets, calming items and much more to awaken, integrate and stimulate the senses. The Break Box will also be used to re-energize and alert students. The Break Box will be used as a preventative means toward eliminating meltdowns and aggression. The Break Box will have a variety of items inside based on student's needs and interests.

Congratulations to **Ms. Laura Cooper** from **Brunson Elementary** who received a Donors Choose Grant to build a Leveled Literacy Lab. The purpose of this project is to build the school's leveled literacy lab. This lab will be accessible to teachers in Kindergarten through 3rd grade. The additional books will keep students motivated to build their reading skills, increase their reading level, and become more confident readers.
