Hello Dragon Families,

As we move to a remote learning model for the next few weeks, we need your student(s) to have their school supplies, textbooks, and notebooks at home with them. On Friday, March 13th, we had many families come pick up their children’s supplies, but some did not. At this time, we have developed a process for parents to come to pick up their child’s supplies on Monday, March 30th. This will be the last opportunity to pick up your student’s belongings.

This process has been created to minimize social interaction and operates similarly to a curbside pickup from restaurants or retailers. No one will be admitted into the building for any reason including restrooms, checking cubbies, etc.

Staff have already emptied every student’s locker, cubby, and desk into plastic bags and labeled them. Parents must complete this Google form to schedule what time on Monday, March 30th they will arrive to pick up their child’s bag. Please complete this form by midnight, Thursday, March 26th.

**Student Belongings Pickup Schedule**

Prior to your arrival time, staff will distribute the bags outside the school, along the front walk, in appropriately-spaced areas, alphabetically by last name. If you have multiple students, their bags will be together. Park in the parking lot, pick up your bags and leave. Staff will not be outside for questions or assistance. If you cannot attend one of the three time slots, please make arrangements for a third party to help as this is your last opportunity to retrieve your student’s belongings from the school.

Thank you for your cooperation in navigating this unique situation and getting the tools your children need for remote learning.
