

AGREEMENT FOR TEAM PARTICIPATION

[Including Waivers and Releases of Potential Claims and Statement of Other Obligations]

All sections of this Agreement must be completed, with the signed original delivered to the School Office, before a Student will be allowed to participate in any manner in the Team Activities defined below.

A separate Agreement is required for each Team in which the Student may participate.

Name of Student: _____ Date of Birth: ____/____/____

Address: _____

School: _____ Grade: _____

Sport Team: _____ Phone #: _____

In consideration for the Student’s ability to participate on the Team [including any Sport, Cheerleading, Dance, or Marching Band], including try outs for the Team, participation in Team practices or training sessions, the receiving of coaching, training, or direction, the participation in Team events, shows, performances, or competitions, or the traveling to and from any of the foregoing activities (“Team Activities”), the Student and the Parent or Legal Guardian (“Adult”) signing this Agreement agree as follows:

1. It is a privilege, not a right, to participate in extra-curricular activities, including Team Activities. The privilege may be revoked at any time, for any reason, that does not violate Federal, State or District laws, policies or procedures. There is no guarantee that the Student will make the Team, remain on the Team, or actively participate in Team events, shows, performances, or competitions. Such matters shall remain exclusively within the judgment and discretion of the District and its employees.

2. The Student and the Adult understand the nature of the Team, including the inherent or potential risks of Team Activities. The Student is in sufficiently good health and physical condition to participate in Team Activities, and voluntarily wishes to participate in Team Activities. Before participating in a Team Activity, a medical clearance shall be submitted (valid for one calendar year), signed by a licensed physician, or physician-supervised and authorized nurse practitioner or physician’s assistant, stating that the Student has been physically examined and is deemed to be in sufficiently good health and fitness so that the Student may fully participate in Team Activities.

3. The Student shall comply with the instruction and directions of Team Activity teachers, coaches, supervisors, chaperones, and instructors. During the Student’s participation in Team Activities, as well as academic and/or other school activities, the Student shall comply with all applicable Codes of Conduct. The Student shall also generally conduct himself/herself at all times in keeping with the highest moral and ethical standards so as to reflect positively on himself/herself, the Team and the District. Failure to meet these obligations may, in the discretion of the District, result in immediate removal from Team Activities and a prohibition against any future involvement in Team Activities or other extra-curricular activities. Should the violation of these obligations also result in bodily injury or property damage during a Team Activity, the Adult will (a) pay to restore or replace any property damaged as a result of the Student’s violation, (b) pay any damages caused to bodily injury to an individual, and (c) defend, protect and hold the District harmless from such property damage or bodily injury claims.

4. Team Activities contain potential risks of harm or injury, including harm or injury that may lead to permanent and serious physical injury to the Student, including paralysis, brain injury, or death (“Injuries”) Injuries might arise from the Student’s actions or inactions, the actions or inactions of another Student or participant in a Team Activity, or the actual or alleged failure by District employees, agents or volunteers to adequately coach, train, instruct, or supervise Team Activities. Injuries might also arise from an actual or alleged failure to properly maintain, use, repair, or replace physical facilities or equipment available for Team Activities. Injuries might also arise from undiagnosed, improperly diagnosed, untreated, improperly treated, or untimely treated actual or potential injuries, whether or not caused by the Student’s participation in Team Activities. All such risks are deemed to be inherent to the Student’s participation in Team Activities. By this Agreement, the Student and Adult are deemed to fully assume all such risks and, in consideration for the right of the Student to participate in Team Activities, understand and agree that to the fullest extent allowed by law they are waiving and releasing any potential future claim they might otherwise have been able assert against the District, or any Board Member, employee, agent or volunteer of the District (“Released Parties”) by or on behalf of the Student or any parent, administrator, executor, trustee, guardian, assignee or family member, and further understand that transportation to or activities at another location are “field trips” or “excursions” for which there is complete immunity pursuant to Education Code § 35330.

5. If the Student believes that an unsafe condition or circumstance exists, or otherwise feels or believes that continued participation in Team Activities might present a risk of Injury, the Student will immediately discontinue further participation in Team Activities, notify School personnel of the Student’s belief, and notify a parent or guardian of the Student’s belief. Any parent or guardian of the Student shall, thereafter, not allow the Student to participate in Team Activities until the unsafe condition or circumstance is remedied, with any question or concern regarding the alleged existence of the unsafe condition or circumstance addressed to their satisfaction
