

La Mesa Junior High School

VIDEO PRODUCTION APPLICATION 2019-2020

The La Mesa Video Production program is open to both seventh and eighth grade students (this is the application for next year's seventh graders only). If you are chosen, Video Production would be your elective class. A limited number of students will be selected from a competitive application process.

We are looking for detail-oriented and responsible students who have a positive work ethic.

This application is due no later than Thursday, May 23, 2019. You must submit this application in person to Mr. Jacobson, personally, or send to

VIDEO PRODUCTION SELECTION,
c/o MR. JACOBSON, 26623 MAY WAY,
SANTA CLARITA, CA. 91351.

Late applications will not be considered.

Please read each of the following statements. Your initials after each one indicate that you understand and agree to that statement:

1. All members must uphold the high standards of La Mesa and represent the school with dignity, pride, and integrity. Video Production students are given a great deal of responsibility, and are both leaders and role models. I understand that any student not maintaining high personal, academic, and behavioral standards both on and off campus may forfeit his/her position. _____
2. I understand that sometimes Video Production activities on campus may occasionally cause me to miss all or part of another class, and that I am responsible for all the work missed during that time. I also understand that some activities require working before school, at brunch, at lunch, or outside of the school day. _____
3. I understand that Video Production may occasionally take me out of class time for all or part of a class period, which is why it is so critically important that I place my academics and homework as a high priority. For this reason, I understand that I currently must hold (according to most recent report card), and I agree to maintain, at least a 2.0 grade point average (GPA) with NO D's or F's throughout the semester (or year, if I am in the class all year). I understand that failure to maintain a 2.0 GPA could disqualify me from the Video Production class. _____

I have attached a copy of my most recent grade report _____

I hereby agree to all of the above statements and will do my best to follow each of them:
