What is Canned Food Drive?

Canned Food Drive is an annual charity drive at Cerritos High School, organized by the Associated Student Body, that aims to collect non-perishable foods for food insecure families. All proceeds are donated to families in the community and to the WeCare organization based in Los Alamitos.

Students, teachers, and faculty are encouraged to donate to class bins in the quad, club boxes, and 5th period classroom boxes. Parents and community members may also donate to the main office bin everyday and in scheduled mornings, before school, outside of the North (office gate).
