Math 2 Syllabus
Mrs. Mattison and Mrs. Blythe

Welcome to Union Academy Math 2 Honors class. We are looking forward to a new and exciting year. For this class you will need the following supplies:

3 ring binder 1” or larger
Paper
Pencils
Pens (Multiple Colors or at least 3 different colors)
Graph paper
TI-83 plus or TI-84 plus graphing calculator
Highlighter

If you are able to purchase the following for classroom use, it is greatly appreciated:
Pack of college ruled paper
Graph Paper
Box of tissues
Sticky notes

A graphing calculator is required for this course. If you do not have a graphing calculator (and are not able to purchase one) you may check one out after completing the necessary contract. Students will not be permitted to use their phones as a calculator and I will not provide a calculator for them. Please see me for more information.

Keep in mind that a graphing calculator would be a wise purchase, as it will be necessary not only this year, but also in the remainder of your high school math classes. If you plan on attending college, it would be a good idea to buy a TI-83 or higher (any calculator above a TI-84 plus cannot be used on some state tests – please check for specific allowance). You will definitely use it.

Requirements and Procedures:

Grades: The grades will be weighted in the following manner:

- Tests 60%
- Quizzes 30%
- Homework/Classwork 10%
Total 100%

Notebook—you may organize this in whatever manner works best for you.
Graded/Late Work Policy

- A 90-100: Mastery (4)
- B 80-89: Proficient (3)
- C 70-79: Developing (2)
- D 60-69: Little evidence (1)
- F 50-59: No evidence/no course credit (0)

Any grade below a 50 is considered incomplete. Students cannot receive credit for a course with an incomplete grade.

- Assignments are expected to be submitted on time.
- Students will be given 2 days of grace for full credit.
- Assignments beyond 2 days late will receive a grade of 50.
- Failure to submit results in an incomplete/no credit for course.
- Students will report to ISS and will not return to class at the end of the quarter until all assignments are complete.

Homework: Practice is an essential part of a mathematics class; therefore, homework will be assigned weekly. You will see this titled as Exam Prep in PowerSchool. This will be a grade.

Make – Up Work: It is your responsibility to make-up work when you are absent. DO NOT expect me to remind you. Please email me if you are/will be absent so we can ensure you are caught up and do not get behind.

Cell Phones – there will be no cell phone usage in the classroom. Cell phones will be placed daily into a designated location within the classroom. You will not be permitted to listen to music while doing classwork.

Contacting me: My email address is kmattison@unionacademy.org This is the most efficient way of getting in touch with me. However, if you would like to call the school and leave me a voice mail message I will get back with you when possible.
