“Career Shadowing” allows students to try before they decide

Coldspring-Oakhurst High School senior Bethany McClendon always thought she might like to be a dental hygienist, but she wasn't sure. COHS Health Science Teacher Susan Caraballo knew the best way to help her decide would be to spend some time “Career Shadowing” a real dental hygienist.

“This is a way to get students to see what real life experience is like,” said Caraballo.

Over the summer, she arranged for McClendon to spend time with a professional dental hygienist at the office of Livingston dentist Dr. Ralph K. Jenke.

It was exactly what McClendon needed to help her decide becoming a dental hygienist is exactly what she wants to do.

“I learned a lot I didn't know,” said McClendon. “I didn't know if I would like it, but then I tried it and I could really see myself being a hygienist.”

Career shadowing is a way for students to try out potential careers by spending time with professionals in occupations that interest them.

Coldspring-Oakhurst HS freshman qualifies for rodeo nationals

COHS freshman Hayden Ferguson has qualified for the Junior National Finals Rodeo (NFR) to be held in Las Vegas, Dec. 5—15.

The NFR is a competition for students 18 and under, parallel to the Wrangler

National Finals Rodeo professional competition.

Students from across the U.S. will compete in events such as bull riding, team roping, barrel racing, and more.

Good luck, Hayden!

JSE/CIS Night at the Game was a great night to be a Trojan

Our littlest Trojans were celebrated at James Street Elementary & Coldspring Intermediate Night at the Game on Friday, September 7th.

It was a great night for everyone as faculty, students, and the COCISD community enjoyed Friday night lights at the newly renovated Trojan Stadium.
