

Elmore Park Middle School

9th Grade Registration

The time has come to complete 9th grade course registration cards and 4-year plans! We are offering 2 opportunities for parents and their 8th grade students to complete these with the EPMS school counselors.

February 5th from 6-7pm
or
February 14th from 3-4pm

It is not mandatory that you attend, but we believe this will be helpful and a great time to ask questions and complete these forms. If you cannot attend, we will send the forms home and have a video tutorial on the website that you can use to complete them.

The forms are due back to the counselors February 25th.

If you have any questions for Mr. Smith and Mrs. Inman,
email epmscounseling@bartlettschools.org
