

After School Art Club

Astonishing Art

Taught by: Mrs. Roberts

Astonishing Art will focus on fun art activities. These projects are ceramics, sewing, painting, drawing, photography, jewelry making, etc. Each session will offer a specific art project. Students can choose the session or sessions that sound interesting to them.

Astonishing Art sessions will be specific to an age group. Some sessions will be open for every grade, some for specific grades, depending on the projects we will be creating.

Each session will be filled on a first come first serve basis. The first 20 students to turn in their money and parent contact sheet for *each* session are in. Astonishing Art will be held on Tuesdays & Thursdays after school, 2:45 - 3:30 p.m.

Please note that you must pick your child up promptly at 3:30 p.m. If you are late more than once your child will not be allowed to continue in their Astonishing Art class. I appreciate your respect and understanding on the tardy issue as I have a child with special needs who has therapy and can not be late to his sessions.

Specific forms and permission slips for each art medium can be found on the PTCO web site, the CHVE Lobby or see Mrs. Roberts in the art room.

Please choose a session and mark it on the back of this form.

A reminder email will be sent about 2 weeks prior to the class start date.

Please write down the dates just in case the reminder note is misplaced on its way home. 😊

This class runs after school 2:45 p.m. - 3:30 p.m. Please do not be late when picking up your child. If you do so more than once your child will not be able to continue Astonishing Art. If your child has behavior problems the same will occur. I appreciate your respect and understanding on the tardy issue as I have a child with special needs who has therapy and can not be late to his sessions.

I am excited to offer these extra classes for budding artists to learn more extensive techniques in art! 😊

Mixed Media Fun

There are SO many art mediums and projects to choose from when I create art classes every year. I thought it would be fun to hold a mixed media class and let the students choose 3 mediums to create with. Their choices will be mediums that are not already being taught in the before school art program this year. Some options for the students to choose from are: Batiking, printmaking, kite making, pastel work (chalk or oil), marbling, ipad, etc.

4) Thursdays: 10/4, 10/11, 10/25, 11/1, 11/15, 11/29

Digital Photography & iPads

The photography portion of this class will create many different digital photo techniques. You are welcome to bring your own digital camera (iphones do not work well, I recommend a camera) or you are welcome to use the art department's digital cameras. We will also be trying out some new art apps on the ipads, for photography and also in other art areas. The cost of this class includes the materials needed for these processes, the cost for apps & the printing of some photographs.
