Sign Up Deadline: Mar. 6, 2019

R.E.A.C.H. Foundation

Supporting PYLUSD Students

Currently, only 25% of Information Technology jobs are held by women. Early introduction to the world of coding can change that.

The REACH Foundation is offering special TechGirlzClub classes available to all PYLUSD 4th and 5th grade students on a first come, first serve basis. This special program will give 4th and 5th grade girls a chance to explore and image a future in Tech!

TechGirlzClub will offer kid friendly classes focused on the use of computers and hands-on introduction to beginning coding skills. To register: Go to reach4pylud.org and select the TECHGIRLZCLUB link on the home page (located below the ShamRock 'n Run Information)

Call 714-323-9706 or email info@reach4pylud.org
