Parents and Guardians,

The School Cafeteria is not just for lunch...

Have you heard about our School Breakfast Program? It is a great option for students to start off their day with a healthy meal. We offer a complete breakfast to get your student's day started off right. The cost for a HS or MS breakfast is \$1.65, Elementary \$1.50. If you are on the reduced meal program a reduced breakfast is \$.30 and if you qualify for free meals the breakfast is also free.

We offer a rotating breakfast menu that can be found on our menus that you can access on the ELANCO website. Our breakfasts offer a variety of options that vary from school to school. Some of these items we serve are cereal, muffins, breakfast bars, hot entrees, fruit and milk.

The students need to take a minimum of three items for the meal to qualify as a complete breakfast. One of these items MUST be a fruit or juice; otherwise they will be charged the ala carte price for their items.

We look forward to serving your child at breakfast as well as lunch. Our staff takes pride in helping the student body maintain a healthy lifestyle.

If you need to fill out a free/reduced meal application, please visit www.paschoolmeals.com

Also, if you would like to add your e-mail to your child's lunch account to receive low balance e-mails, please send an e-mail to joelene_martin@elanco.org

Please do not hesitate to call with any questions that you may have and thank you again for your patronage.

Thank You,
