Dear Parents/Guardians,

As stated during our Back to School Night, the back parking lot at School Number 7 is for faculty parking only. Parents/Guardians are not permitted to park and or drop off children within this lot, due to it being a safety issue for our children. As discussed with the Belleville Police Department parents/guardians are able to utilize street parking on Division Street and walk your children through our walkway. Cars will no longer be able to gain access to the faculty parking lot both before and after school. Thank you for your anticipated cooperation with this matter to keep our children safe.

Brian E. Belton

Principal
School Number 7
Go Stallions!!!
