

Welcome to our online donation site for the Soleado Fun Run!

This site will make it so easy to share your child's PRIVATE online pledge page with family and friends to help us reach our goal.

Follow the instructions below to get started.

(If you registered last year, your account is still active, you just need to re-register your children or add any new children.)

1. Go to: <https://www.getmovinfundraising.com/>

2. Click the  link at the top.

3. Click the  icon.

4. Create your account.

5. Finally, click to add each of your children.

6. Once their profile is complete you can use these icons to easily share your student's page.

You can revisit <https://www.getmovinfundraising.com/parent-page> for information on creating easy-to-use shortcuts, employer match, as well as FAQ's.

*You may still **submit cash and check donations** through the pledge sheet they were given.

The Fun Run committee will enter these and they will show up on your student's profile page.

**Don't forget to click on these icons on your child's page to see how your company might be able to help.

Be a Pledge Superstar.
