We will add more sessions as teachers arrange availability to stay and review. Different tests are used for every session. We too, as ACT test makers appreciate, know how to avoid redundancy.

My student has permission to attend the ACT review with Mrs. Simmons and other BHS staff members on the **dates checked above**. He/she will have transportation at the end of the review.

We would strongly recommend the workbook, ***The Official ACT***, for added practice.

The ACT is Saturday, December 8. Check ACT.org for registration. The deadline to avoid paying the late fee for the December 8 test is November 2.

Panther Pride points are available for those who attend 2 or more sessions.
